

VISITORS CENTER AND PROGRAM ATTENDANCE

Annual attendance is determined by combining Visitors Center walk-ins, organized program group numbers, meeting room users, and community outreach participants. Applications for facility reservations and program requests can be obtained through the LM website at <https://www.energy.gov/lm/explore-programs-and-meetings-fernal-d-preserve-visitors-center>

*The 2020 decrease was due to reduced public services beginning March 2020 following guidance from the Centers for Disease Control and Prevention's response to coronavirus (COVID-19) along with recommendations from federal, state, and local public health authorities. Please check <https://www.energy.gov/lm/fernal-d-preserve-ohio-site> for current updates to site status.
