Item I—Removal of FAR Appendix (FAR Case 2020-003)

This final rule amends the FAR to remove references to the FAR appendix and the FAR loose-leaf. The FAR appendix at an earlier time contained a copy of the Cost Accounting Standards Board regulations. These remain available at 48 CFR chapter 99. The FAR loose-leaf version is now published online at <https://www.acquisition.gov>. It is no longer published as a paper loose-leaf version.

Item II—Removal of Obsolete Definitions (FAR Case 2020-002)

This final rule amends the FAR to remove the definitions of the terms “annual receipts” and “number of employees” in FAR 19.101. The Small Business Administration (SBA) published a final rule at 84 FR 66561 on December 5, 2019, amending its regulations to update these terms in 13 CFR part 121 as part of SBA’s implementation of the Small Business Runway Extension Act of 2018. The definitions in FAR 19.101 conflict with SBA’s revised regulation and are not needed in the FAR as these terms relate to determinations made by SBA, not contracting officers. In addition, this final rule moves the definition of “affiliates,” as used with regard to small business size determination, to appropriate locations in the FAR.

Item III—Update to Excess Personal Property Procedures (FAR Case 2019-019)

This final rule amends the FAR to update internal Government procedures on how agencies can locate excess personal property and to remove obsolete requirements. Specifically, this rule removes references to catalogs and bulletins issued by GSA, the use of a discontinued GSA form, and the ability to examine reports and samples of excess personal property in GSA regional offices. Instead, the rule identifies the website through which agencies can find information on available excess personal property.

Item IV—Reserve Officer Training Corps and Military Recruiting on Campus (FAR Case 2018–021)

This final rule implements 10 U.S.C. 983, which prohibits the award of certain Federal contracts to institutions of higher education that prohibit Reserve Officer Training Corps (ROTC) units or military recruiting on campus.

Item V—Documentation of Market Research (FAR Case 2020–006)

This final rule amends the FAR to implement section 818 of the National Defense Authorization Act for Fiscal Year 2020, which requires the head of the agency to document the results of market research in a manner appropriate for the size and complexity of the acquisition.

Item VI—Taxes—Foreign Contracts in Afghanistan (FAR Case 2018–023)

This final rule amends the FAR to add two new clauses that notify contractors of requirements relating to Afghanistan taxes or similar charges when contracts are being performed in Afghanistan. Agreements established with the Islamic Republic of Afghanistan exempt the United States Forces and the North Atlantic Treaty Organization (NATO) Forces, and their contractors from liability for Afghanistan taxes and similar charges (*e.g.* customs, duties, fees). These clauses were previously in the Defense Federal Acquisition Regulation Supplement and are now elevated to the FAR to eliminate the need for agency unique supplemental regulations and ensure unified guidance among the affected agencies consistent with the purpose of the FAR.

Item VII—Recreational Services on Federal Lands (FAR Case 2019–002)

This final rule amends FAR 22.1903(b)(2) and FAR clause 52.222–55(c)(2) to conform to a Department of Labor rule by adding seasonal recreational services or seasonal recreational equipment rental for the general public on Federal lands under contracts or contract-like instruments entered into with the Federal Government, to the list of exemptions from the requirements of Executive Order 13658, Establishing a Minimum Wage for Contractors. The current minimum wage is \$10.80 per hour. Lodging and food services are not exempted. Both rules implement Executive Order 13838, Exemption from Executive Order 13658 for Recreational Services on Federal Lands.

Item VIII—Technical Amendments

Editorial changes are made at FAR 4.2102, 52.213–4, 52.252–5, 52.252–6, and 53.228.
