

## ENERGY EFFICIENCY AND CONSERVATION BLOCK GRANTS NEPA COMPLIANCE FORM

Activities	Determination/ Categorical Exclusion	Reviewer's Specific Instructions and Rationale (Restrictions and Allowable Activity)
Orlando Science Center Efficiency and Renewable Upgrades and Education	A9, A11, B5.1	Waste Stream Clause Historical Preservation Clause (EE upgrades, financial leveraging and educational activities only)
Transportation Electrification	A9, A11	CX applies to education, outreach, metrics & accountability activities only. (Additional activities unclear but may include infrastructure development of charging stations for PHEV.)
Community Energy Efficiency and Weatherization	A9, A11, B5.1	Waste Stream Clause (Audits w/ weatherization upgrades to low income homes)
City Renewable Energy Program ( Two sub-programs) 1) Solar thermal 2) Solar PV	1) A9, B5.1 2) A9	1) Waste Stream Clause Historical Preservation Clause Engineering Clause **Installation of solar thermal systems on ten government buildings and fire stations. 2) This activity includes installing large PV arrays - size and location unknown. CX applies to administrative and research activities only. Implementation of projects is conditioned pending further NEPA review.
Efficient Government Operations and Leadership (3 sub-programs) 1) Energy Audits and Energy Performance Contracts 2) Energy Management 3) Internal Revolving Loan Fund	Programs: 1) A9, A11  2) A9, A11 3) A9, A11	1) This NEPA determination is limited to conducting audits/compiling the results of the audits/and making recommendations only. 2) No issues; hiring an energy project manager 3) This is a revolving loan fund. All administrative activities, audits, technical advice, and outreach are CX'd; implementation of projects are conditioned pending further NEPA review.

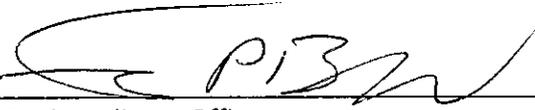

## Additional Comments:

Task 1: Activity sheet mentions future installation of PV panels; does not specify location. Worksheet specifies that, "EECBG funds will only be used to complete the energy efficiency upgrade component of this project".

Task 5: Efficient Government Operations and Leadership should be broken into 3 separate activities

---

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class of actions, other applicable regulatory requirements are met, and the proposed action is hereby categorically excluded from further NEPA review.
