

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title AZ-TRIBE-AK-CHIN INDIAN COMMUNITY

Location: Tribe AZ-TRIBE-AK-CHIN AZ
INDIAN
COMMUNITY

Proposed Action or Project Description

American Recovery and Reinvestment Act:

The AK-Chin Indian Community is proposing to conduct energy audits for its residential units. There are 291 homes and 20 apartments in the Community. In addition, if funding is available after the residential audits are completed, the AK-Chin Indian Community would like to conduct audits for two Community commercial buildings that are occupied by tribal government departments. The Community would hire a local contractor to conduct comprehensive energy inspections and potentially provide professional advice and help with necessary home improvements and building improvements for energy efficiency that might be implemented by the Tribe in the future following its assessment of the energy audit results.

Conditions: None

Categorical Exclusion(s) Applied: A9, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
