

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title CA-TRIBE-YUROK TRIBE

Location: Tribe CA-TRIBE-YUROK CA
TRIBE

Proposed Action or Project Description

American Recovery and Reinvestment Act:

The Yurok Tribe of California proposes to conduct energy efficiency retrofits to the Klamath and Weitchpec Tribal Offices based on the results of the energy audits completed in 2006. The Klamath Office energy efficiency building retrofits would include repair/re-weatherstripping of exterior doors; installation of operable louvers on passive vents in the attic; replacement of double-pane windows; caulking; heating, ventilating, and air conditioning system repair and tuning; installation of check valves in hot water lines; insulation of hot water lines; timer repair; delamping; and occupancy sensors. The Weitchpec Office energy retrofits would include delamping of lighting fixtures and occupancy sensors added.

Conditions: None

Categorical Exclusion(s) Applied: B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021.

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer

Gary S. Hartman
