**U.S. DEPARTMENT OF ENERGY
EERE PROJECT MANAGEMENT CENTER
NEPA DETERMINATION**

RECIPIENT: Fort Bend County

STATE: TX

PROJECT TITLE : Energy Efficiency Conservation Block Grant

Funding Opportunity Announcement Number	Procurement Instrument Number	NEPA Control Number	CID Number
DE-EE0000916	DE-EE0000916		0

Based on my review of the information concerning the proposed action, as NEPA Compliance Officer (authorized under DOE Order 451.1A), I have made the following determination:

CX, EA, EIS APPENDIX AND NUMBER:

Description:

- B5.1** Actions to conserve energy, demonstrate potential energy conservation, and promote energy-efficiency that do not increase the indoor concentrations of potentially harmful substances. These actions may involve financial and technical assistance to individuals (such as builders, owners, consultants, designers), organizations (such as utilities), and state and local governments. Covered actions include, but are not limited to: programmed lowering of thermostat settings, placement of timers on hot water heaters, installation of solar hot water systems, installation of efficient lighting, improvements in generator efficiency and appliance efficiency ratings, development of energy-efficient manufacturing or industrial practices, and small-scale conservation and renewable energy research and development and pilot projects. The actions could involve building renovations or new structures in commercial, residential, agricultural, or industrial sectors. These actions do not include rulemakings, standard-settings, or proposed DOE legislation.
- A9** Information gathering (including, but not limited to, literature surveys, inventories, audits), data analysis (including computer modeling), document preparation (such as conceptual design or feasibility studies, analytical energy supply and demand studies), and dissemination (including, but not limited to, document mailings, publication, and distribution; and classroom training and informational programs), but not including site characterization or environmental monitoring.
- A11** Technical advice and planning assistance to international, national, state, and local organizations.

Rational for determination:

Fort Bend County, Texas would use DOE funds for the following activities which are bounded by the signed SOW and are therefore categorically excluded under NEPA:

- Activity 3: Energy Audits
Activity 4: Building Retrofits based on Energy Audit Findings

The following activities have already been categorically excluded at the time of award or were associated with wastestream/historic clauses only and are not part of this action:

- Activity 1: Solar Power How Water Retrofit for County Jail
Activity 2: Solar Powered Outdoor Security Lights on Buildings at Parks and County Facilities
Activity 5: Employment of an Energy Efficiency and Renewable Energy Technologies Programs Manager
Activity 6: Propane Conversion Pilot Project Precinct 1 Constable

Any projects submitted for EECBG funding that fall outside the bounds of the signed SOW will require a separate NEPA determination review.
