**NEPA PROVISION**

DOE has made a conditional NEPA determination for this award, and funding for certain tasks under this award is contingent upon the final NEPA determination.

Insert the following language in the award:

**Prohibited actions include:**

All new subawards are restricted at this time. As stated above, all sub-recipients will submit an EF-1 for their proposed project activities.

This restriction does not preclude you from:

**Project management and oversight.**

If you move forward with activities that are not authorized for federal funding by the DOE Contracting Officer in advance of the final NEPA decision, you are doing so at risk of not receiving federal funding and such costs may not be recognized as allowable cost share.
