V. Categorical Exclusion			.,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,			e e e e e e e e e e e e e e e e e e e	YES	NO	
Does the proposed action fall within a class of actions that is listed in Appendixes A or B to Subpart D of 10 CFR Part 1021?									
Are there extraordinary circumstances related to the proposal that may affect the significance of the environmental effects of the proposal?							$\boxtimes$		
Is the proposal connected to (not precluded by 40 CFR 1	o other actions with pot 506.1 or 10 CFR 1021.	entially significa .211)?	ant impacts	or result in cumu	latively sigr	nificant impacts		$\boxtimes$	
List CX to be applied and complete Categorical Exclusion Integral Elements (where an action might fit within multiple CXs, use the CX that best fits the proposed action):									
B1.16, "Asbestos Removal"									
Categorical Exclusion Into	egral Elements						YES	NO	
Does the proposed action threaten a violation of applicable statutory, regulatory, or permit requirements for environmental, safety, or health, including DOE and/or Executive Orders?						$\boxtimes$			
Does the proposed action require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities?							$\boxtimes$		
Does the proposed action disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases?									
Does the proposed action adversely affect environmentally sensitive resources?						$\boxtimes$			
Does the proposed action involve genetically engineered organisms, synthetic biology, governmentally designated noxious weeds, or invasive species such that the action is NOT contained or confined in a manner designed, operated, and conducted in accordance to applicable requirements to prevent unauthorized release into the environment?						$\boxtimes$			
If "NO" to all Categorical Exclusion Integral Elements questions above, complete Section VI, and provide to DOE NCO for final Approval/Determination and signature in Section VII.									
If "YES" to any of the Categorical Exclusion Integral Elements questions above, contact DOE NCO for additional NEPA Review.
