

NOTICE OF CANCELLATION

The U.S. Department of Energy (DOE) is cancelling the National Environmental Policy Act (NEPA) process that was initiated to analyze and describe the potential environmental impacts associated with the construction and operation of the:

**Principle Power, Inc.
WindFloat Pacific Project
Offshore Coos Bay, Oregon
(DOE/EA-1992)**

DOE was a cooperating agency on the Bureau of Ocean Energy Management's environmental assessment for the WindFloat Pacific Project. DOE's proposed federal action was to provide funding towards construction and operation of the project. DOE is terminating the NEPA process at this time with no decision.

EA-1992: NOTICE OF CANCELLATION

This notice is to announce that DOE has terminated the NEPA process for Principle Power's, Inc. WindFloat Pacific Project.
