The purpose of this modification is described below:

1. The following changes are made to Block 1 of the SF 33:

The DPAS Rating is changed from DO E-2 to DX-A2 / DO-H1 *

* This contract is rated, in part, as DX-A2 and DO-H1, for the approved programs referenced in H-22.

2. The following clause is incorporated into Part I – The Schedule, Section H - Special Contract Requirements:

H-22 Defense Priorities And Allocations System (DPAS) Priority Rating (JUN 2024)

(a) DPAS-Rated Order. As indicated in Block 1 of SF33, this contract is a DX- and DO-rated order certified for national defense use (subject to limitations in (b) below) and the Contractor is required to follow all the provisions of the Defense Priorities and Allocations System (“DPAS”) regulations (15 CFR § 700, *et seq.*). In the event that any provision of the DPAS regulations conflict with any provision of this clause, the DPAS regulations control.

(b) Scope of DPAS Rating. Though this contract is rated as DX and DO, only those portions of this contract for materials (including equipment), services, or facilities necessary for the national defense, as outlined in (b)(1) and (b)(2), are considered rated. The authority granted under this clause is not applicable to Strategic Partnership Projects (SPP) (see (g)).

(1) DO. Items and related services in support of programs approved for priorities and allocations support by the Secretary of Defense with respect to military production and construction, military assistance to any foreign nation, space, stockpiling, and directly related activities are rated as DO upon establishment of a required delivery date (see (c)). Approved programs for assignment of a DO rating are:

Program Identification Symbol	Approved Program
A1	Aircraft
A2	Missiles
A5	Weapons
A6	Ammunition
A7	Electronics and communications equipment
B9	Production equipment (Government-owned)
C9	Miscellaneous

(2) DX. Items and when applicable, related services in support of programs designated by the Secretary of Defense to be of the Highest National Priority as described in the Department of Defense (DoD) List of DX-Rated Programs are rated as DX-A2 upon establishment of a required delivery date or dates (see (c)). The DoD List of DX-Rated Programs is limited to only a small number of programs approved by the Department of Defense, and the Contractor shall not use a DX-A2 priority rating on any subcontracts other than those in support of a program identified in the DoD List of DX-Rated Programs. At the Contractor’s request, NNSA can provide a current DoD List of DX-Rated Programs to the Contractor.

(c) Required Delivery Dates. If not expressly identified in this contract, the required delivery date for DPAS-rated items and related services is as specified in writing by the cognizant NNSA Program Office or Field Office.

(d) Placing DPAS Ratings on Subcontracts.

(1) Subcontracts that May be Assigned DPAS Ratings. When placing subcontracts that directly support a DPAS-rated portion of this contract, the Contractor may, if necessary, place DPAS-rated subcontract orders for:

(i) Items (as defined in 15 CFR § 700.8) which will be physically incorporated into other items to fill a rated portion of this contract, including that portion of such items normally consumed, or converted into scrap or by-products, in the course of processing;

(ii) Containers or other packaging materials required to make delivery of the finished items required under a rated portion of this contract;

(iii) Services, other than contracts of employment, needed to fill a rated portion of this contract;

(iv) Maintenance and repair and/or operating supplies (as defined in 15 CFR § 700.8) needed to produce the finished items to fill rated orders.

(2) Subcontracts that Shall Not be Assigned DPAS Ratings. Notwithstanding (d)(1), subcontracts shall not be assigned DPAS ratings to obtain:

(i) Any items that (i) are commonly available in commercial markets for general consumption; (ii) do not require major modification when purchased for approved program use; and (iii) are readily available in sufficient quantity so as to cause no delay in meeting approved program requirements;

(ii) Any items to be used primarily for administrative purposes, such as for personnel or financial management;

(iii) Delivery of items or services on a date earlier than needed;

(iv) A greater quantity of the item than needed, except to obtain a minimum procurable quantity;

(v) Any items related to the development of chemical or biological warfare capabilities or the production of chemical or biological weapons, unless such development or production has been authorized by the President or the Secretary of Defense; or

(vi) Copper raw materials, crushed stone, gravel, sand, scrap, slag, central steam heat or waste paper;

(vii) Any items subject to the authorities granted exclusively to other agencies by Executive Order 13603 (e.g., health resources, civil transportation, etc.).

(3) Subcontract Terms. The Contractor shall ensure that any rated subcontracts are appropriately rated and contain terms substantially the same as (a) and (d) of this clause.

(e) Contractor's Responsibility. It is the Contractor's responsibility to ensure that it complies with DPAS regulations, this clause, and other pertinent authorities. Though the Government may review certain Contractor subcontract solicitation and award documents (in accordance with other provisions of this Contract), that review shall not be construed as consent that the Contractor's choice to rate a subcontract is appropriate. If the Contractor has specific questions regarding the rating on this Contract or its applicability to subcontracts, the Contractor has an affirmative duty to seek clarification from the appropriate contracting officer.

(f) Records and Reporting Requirements.

(1) Record Retention. Notwithstanding any other provision of this contract, the Contractor shall maintain and preserve for at least three years, accurate and complete records related to any DPAS-rated subcontract.

(2) Reporting. On a semi-annual basis (January 15 and July 15 of each year), the Contractor shall provide to the Contracting Officer a summary of all DPAS-rated subcontract orders placed in the preceding six, calendar months by the Contractor. This information shall be contained in a sortable Microsoft® Excel spreadsheet with the following information (contained in separate columns):

(i) Date the rated subcontract order was placed;

(ii) Subcontract order identification number;

(iii) Description of items or services acquired;

(iv) Rating and Approved Program Identifier assigned to the subcontract (e.g., DO-A2); and

(v) A detailed justification for the rating assigned.

(g) SPP. The priority ratings assigned to the Contract are not authorized for use in support of SPP. Use of DPAS priority ratings for SPP is governed by the priority rating, if any, assigned by the Non-DOE/non-NNSA entity requesting the work. The Contractor is responsible for complying with instructions provided by the non-DOE/non-NNSA entity regarding the applicability of DPAS to SPP.

(End of Clause)

3. The following clause is incorporated into Part II – Contract Clauses, Section I - Contract Clauses:

I-39 FAR 52.211-15 Defense Priority And Allocation Requirement (APR 2008)

This is a rated order certified for national defense, emergency preparedness, and energy program use, and the Contractor shall follow all the requirements of the Defense Priorities and Allocations System regulation (15 CFR 700).

(End of Clause)

4. The following changes are made to Part III-List of Documents, Exhibits, and Other Attachments, Section J – List of Attachments:

Remove Appendix S, List of Defense Priorities and Allocation System Ratings and associated memorandum for Service Acquisition Executives Directors of Defense Agencies, dated July 01, 2016. Appendix S is hereby entitled, Reserved for potential future use.

All other Terms and Conditions remain unchanged by this modification.
