- (c) The special demand deposit account shall be designated “[name of Contractor], [account title] account.”

COVENANTS

In consideration of the foregoing, and for other good and valuable considerations, it is agreed that:

1. The Government shall have a title to the credit balance in said account to secure the repayment of all funds transferred to the Contractor, and said title shall be superior to any lien, title or claim of the Financial Institution or others with respect to such accounts.
2. The Financial Institution shall be bound by the provisions of said Agreement(s) between DOE and the Contractor relating to the transfer of funds into and withdrawal of funds from the above special demand deposit account, which are hereby incorporated into this Agreement by reference, but the Financial Institution shall not be responsible for the application of funds withdrawn from said account. After receipt by the Financial Institution of directions from DOE, the Financial Institution shall act thereon and shall be under no liability to any party hereto for any action taken in accordance with the said written directions. Any written directions received by the Financial Institution from the Government upon DOE stationery and purporting to be signed by, or signed at the written direction of, the Government may insofar as the rights, duties, and liabilities of the Financial Institution are concerned, be considered as having been properly issued and filed with the Financial Institution by DOE.
3. DOE, or its authorized representatives, shall have access to the financial records maintained by the Financial Institution with respect to such special demand deposit account at all reasonable times and for all reasonable purposes, including, but without limitation to, the inspection or copying of such financial records and any or all memoranda, checks, payment requests, correspondence, or documents pertaining thereto. Such financial records shall be preserved by the Financial Institution for a period of 6 years after the final payment under the Agreement.
4. In the event of the service of any writ of attachment, levy of execution, or commencement of garnishment proceedings with respect to the special demand deposit account, the Financial Institution shall promptly notify DOE at:

Oak Ridge, TN 37830

5. DOE shall authorize funds that shall remain available to the extent that obligations have been incurred in good faith by the Contractor under the Agreement referenced in Recital (a) between DOE and the Contractor to the Financial Institution for the benefit of the special demand deposit account. The Financial Institution agrees to honor upon presentation for payment all payments issued by the Contractor and to restrict all withdrawals against the funds authorized to an amount sufficient to maintain the average daily balance in the special demand deposit account in a net positive and as close to zero

as administratively possible.

The Financial Institution agrees to service the account in this manner based on the requirements and specifications contained in DOE or Contractor Solicitation No.____, dated_____, including the latest revision. The Financial Institution agrees that per-item costs, detailed in the form “Schedule of Financial Institution Processing Charges,” contained in the Financial Institution’s aforesaid bid will remain constant during the term of this Agreement. The Financial Institution shall calculate the monthly fees based on services rendered and invoice the Contractor. The Contractor shall issue a check or automated clearing house authorization transfer to the Financial Institution in payment thereof.

6. The Financial Institution shall post collateral, acceptable under 31 CFR 202 with the Federal Reserve Bank in an amount equal to the net balances in all of the accounts included in this Agreement (including the noninterest-bearing time deposit account), less the Treasury-approved deposit insurance.
7. This Agreement, with all its provisions and covenants, shall be in effect for a term of _ ____ years, beginning on the____day of_____, and ending on the day of_____,_____.
8. DOE, the Contractor, or the Financial Institution may terminate this Agreement at any time within the agreement period upon submitting written notification to the other parties 90 days prior to the desired termination date. The specific provisions for operating the account during this 90-day period are contained in Covenant 11.
9. DOE or the Contractor may terminate this Agreement at any time upon 30 day’s written notice to the Financial Institution if DOE or the Contractor, or both parties, find that the Financial Institution has failed to substantially perform its obligations under this Agreement or that the Financial Institution is performing its obligations in a manner that precludes administering the program, in an effective and efficient manner or that precludes the effective utilization of the Government’s cash resources.
10. Notwithstanding the provisions of Covenants 8 and 9, in the event that the Agreement, referenced in Recital (a), between DOE and the Contractor is not renewed or is terminated, this Agreement between DOE, the Contractor, and the Financial Institution shall be terminated automatically upon the delivery of written notice to the Financial Institution.
11. In the event of termination, the Financial Institution agrees to retain the Contractor’s special demand deposit account for an additional 90-day period to clear outstanding payment items.

This Agreement shall continue in effect for the 90-day additional period, with exception of the following:

1. Term Agreement (Covenant 7)
2. Termination of Agreement (Covenants 8 and 9)

All terms and conditions of the aforesaid bid submitted by the Financial Institution that are not

inconsistent with this 90-day additional term shall remain in effect for this period.

The Financial Institution has submitted the forms entitled “Technical Representations and Certifications” and “Schedule of Financial Institution Processing Charges.” These forms have been accepted by the Contractor and the Government and are incorporated herein with the document entitled “Financial Institution’s Information on Payments Cleared Financing Arrangement,” as an integral part of this Agreement.
