**Re: Pentagon Energy LLC, FE Docket No. 14-63-CNG
Semi-Annual Report (October 2017)**

Dear Ms. Moore:

Pursuant to paragraph G of DOE/FE Order No. 3515, Pentagon Energy LLC ("Pentagon") hereby submits its semi-annual report regarding (i) the dates exports authorized by DOE/FE Order No. 3515 are expected to commence, and (ii) the status of the long-term contracts associated with the long-term export of CNG and any related long-term supply contracts.

To date, Pentagon has no activity to report regarding either long-term contracts for the export of CNG or any related long-term supply contracts. Within 30 days of their execution, Pentagon will file such long-term export or supply contract with DOE pursuant to DOE/FE Order No. 3515, Docket No. 14-63.

Finally, Pentagon confirms its intent to export CNG sourced from facilities owned by Pentagon Energy LLC as authorized by Order No. 3515. Therefore, no facility-related information is required as part of Pentagon's semi-annual reporting obligation.

Please contact me at (312) 813-7366 with any questions concerning this submission.

Sincerely,

Terrence F. Durkin
General Counsel for Pentagon Energy LLC
