

DISTRIBUTION WORKSHOP

Laurie Actman

Deputy Director EEB Hub

Chris Ainscough

Senior Engineer National renewable Energy

Joe Allen

Director of Government Relations Caterpillar /
Solar Turbines

Robert Anders

Mr.
U.S. Department of Energy - EERE

David Anderson

Technology Development Manager Department
of Energy

Sam Baldwin

Chief Science Officer EERE/DOE

Thomas Baldwin

Conv Renewables Group Lead Idaho National

Venkat Banunarayanan

Grid Integration & Solar Forecasting Department
of Energy - SunShot

Vincent Battaglia

Deputy Department Head ESDR LBNL

Gil Bindewald

General Engineer
US DOE/Office of Electricity Delivery & Energy
Reliability

Anjan Bose

Grid Tech Team Lead
DOE/Office of Electricity Delivery and Energy
Reliability

Ralph Braccio

Senior Associate Booz Allen Hamilton

Michael Brambley

Staff Scientist Pacific Northwest National

Ken Caird

Engineering Manager General Electric

Caitlin Callaghan

Chemical Engineer/GTT US DOE/Office of

Wayne Carr

CEO Milsoft Utility Solutions, Inc.

Jay Caspary

Senior Policy Advisor
US DOE/Office of Electricity

Steven Chalk

Deputy Assistant Secretary Department of
Energy

Christopher Clarke

Sr. Engineer Southern California Edison

Charlton Clark

Team Lead-Grid Integration and Resource
Characterization DOE

Kyle Clark

Engineering Manager Dynapower Company

Michael Coddington

Senior Electrical Engineering Researcher

David Corbus

Laboratory Program manager, Electricity Systems
NREL

Karlynn Cory

Senior Energy Analyst NREL

Katherine Crowley

AAAS Fellow SunShot Initiative

Jarad Daniels

Director Office of Fossil Energy

David Danielson

Assistant Secretary
US DOE/Office of Energy Efficiency &
Renewable Energy

Douglas Danley

Senior Program Manager - Contractor NRECA

Aravind Dasu

Computer Scientist USC Viterbi School of
Engineering / ISI-Arlington

Keith Dennis

Sr. Principal
NRECA

Pete Devlin

Operations Manager - c-Si Programs
DOE

DISTRIBUTION WORKSHOP

Brian Dickey

Principal Engineer Capstone Turbine Corp

Keith Dodrill

Energy Analyst DOE/NETL

Babak Enayati

Senior Protection Engineer National Grid

Douglas Fabini

SunShot Junior Fellow Department of Energy

Jiyuan Fan

Strategic Planning Leader GE Digital Energy

Ayman Fawaz

Director Venture Technology Siemens Corp.,
Technology To Business Center

James Francfort

Principle Investigator AVTA - INL

Ryan Franks

Technical Program Manager National Electrical
Manufacturers Association (NEMA)

Franklin Fuchs

Analyst GE Energy

Monterey Gardiner

Technology Development Manager DOE

Thomas Garetson

Vice President, Project
ECotality

Daniel Gaspar

Technical Group Manager
Pacific NW Nat'l Laboratory

Robert Gemmer

Technology Manager
U.S. Department of Energy

Jake Gentle

Engineer
Idaho National Laboratory

Richard Gilker

Engineer II
DOE - New West Technologies

Michael Goggin

Manager of Transmission Policy
AWEA

Britta Gross

Director, Advanced Vehicle Commercialization
General Motors

Joe Hagerman

Policy Advisor
US DOE/Office of Energy Efficiency &
Renewable Energy

Bill Harmon

Vice President
Segment Marketing
Reliant Energy

Jessica Harrison

Principal Consultant
DNV KEMA

Jesse Hayes

Manager, Electrical Design & Interconnection
UTC Power

Bruce Hedman

Vice President
ICF International

Allen Hefner

Project Leader
NIST

George Hernandez

Staff Engineer
PNNL

John D. Hewa, P.E.

Vice President
Research, Engineering & Technical Services
NRECA

Joshua Hitt

Strategy & Innovation Manager
General Electric Power & Water

Patricia Hoffman

Assistant Secretary
US DOE/Office of Electricity Delivery & Energy
Reliability

Jamie Holladay

Energy Storage Team Lead
Pacific Northwest national Laboratory

John Holmes

Senior Technology Development Advisor
San Diego Gas & Electric

DISTRIBUTION WORKSHOP

Robert Hwang

Senior Manager Sandia National Labs

Carl Imhoff

Manager, Electricity Infrastructure Sector Pacific
Northwest National Laboratory

Srinivas Katipamula

Staff Scientist
Pacific Northwest National Laboratory

Thomas Key

technical exec
epri

Ehsan Khan

Dr.
U.S. Department of Energy

Pramod Khargonekar

Deputy Director for Technology ARPA-E,
Department of Energy

Sila Kiliccote

Group Leader
Lawrence Berkeley National Laboratory

Thomas King

Program Manager, Energy Efficiency/Electricity
Technologies
Oak Ridge National Laboratory

Michael Kintner-Meyer

Staff Scientist
Pacific Northwest National Laboratory

Jessica Knapstein

Junior Program Analyst
Energetics

Puesh Kumar

Director of Engineering & Operations American
Public Power Association

Nicole Labutong

Analyst
SRA

Steve Lindenberg

Senior Advisor, Renewable Energy
US DOE

Clay Luthy

Global Strategy Lead, Distributed Energy
Resources IBM

Kevin Lynn

Lead for Systems Integration
Department of Energy SunShot Initiative

Ookie Ma

Physical Scientist
US Department of Energy

Jason Marcinkoski

Technology Development Manager
US DOE/Office of Energy Efficiency &
Renewable Energy

James Marean

Senior Program Manager Gas Technology
Institute

Tony Markel

Senior Engineer
National Renewable Energy Laboratory

Greg Martin Engineer

NREL

Kim Massey

Manager, Grid and Dispatchable Power
NREL

David McAndrew

Mr.
DOE FEMP

Hugh McDermott

VP Utilities
Better Place, Inc

Rob McDonald

Senior Electrical Engineer/ Scientist Energetics
Incorporated

Mark McGranaghan

Vice President
Power Delivery and Utilization
EPRI

Stan McHann

CTO
Milsoft Utility Solutions, Inc.

Rick Meeker

Prog Dev Mgr - Industry Partnerships
FSU Center for Advanced Power Systems

Douglas Middleton

Engineer
Department of Energy

DISTRIBUTION WORKSHOP

William Miller

Program Manager/Senior Advisor LBNL/DOE
(BTP)

David Mooney

Director
National Renewable Energy Laboratory

Theodore Motyka

Dr. SRNL

Ralph Muehleisen

Dr.
Argonne National Laboratory

Marc Mueller-Stoffels

Dr.
Alaska Center for Energy and Power

Timothy Murphy

Manager
Idaho National Laboratory

David Narang

Sr. Engineer
APS Technical Services

Kristen Nicole

Senior Project Engineer
EPRI

Michael Norelli

Strategy & Innovation GE Power & Water

Christopher O'Reilley

Principal
SRA / Sentech

William Parks

Senior Technical Advisor
DOE/Office of Electricity Delivery and Energy
Reliability

Pinakin Patel

Mr
FuelCell Energy, Inc

Candace Pfefferkorn

AAAS Fellow
DOE / EERE / Solar Program

Benjamin Phillips

Science Advisor
SRA / DOE Geothermal Technologies Program

Robert Pratt

Smart Grid R&D Program Manager
Pacific Northwest National Laboratory (PNNL)

Charles Pulay

Projects Development Manager Burns &
McDonnell

Colleen Quinn

Vice President Government Relations and
Public Policy
ChargePoint /Coulomb Technologies

Alvin Razon

principal engineer SRA/DOE

Jim Reilly

Consultant

Roland Risser

Program Manager, Building Technologies
Program
Department of Energy

Michael Ropp

President and Principal Engineer Northern
Plains Power Technologies

Bob Saint

Principal Distribution Engineer NRECA

Joe Schatz

Mgr. - T&D Research Southern Company

Rich Scheer

Workshop Moderator / Facilitator

Kevin Schneider

Senior Research Engineer
Pacific Northwest national Laboratory

Allan Schurr

Vice President
Strategy & Development
Global Energy & Utilities, IBM

Brendan Shaffer

Research Engineer
Advanced Power and Energy Program, UC
Irvine

Anna Shipley

Manager, Industrial Programs
SRA, International

DISTRIBUTION WORKSHOP

Lee Slezak

Mr.
US Dept of Energy Vehicle Technologies
Program

Vincent Sprenkle

Chief Engineer - Energy Storage and
Conversion Pacific Northwest National
Laboratory

Shane Stephens

Manager, Research Development and External
Relations
National Fuel Cell Research Center

Mike Swearingen

Manager of Engineering
Tri-County Electric Cooperative

Stephen Szymanski

Business Development Manager Proton Energy
Systems

Grant Terzer

Mr
Capstone Turbine Corporation

Dawit Teshome

Lead Engineer Pepco Holdings

Holly Thomas

Technical Project Officer
US DOE Solar (Golden)

Dan Ton

Electrical Engineer/GTT
US DOE/Office of Electricity

Daniel Vicario

Program Manager
Capstone Turbine Corporation

Joseph Waligorski

Delivery Operations Technical Advisor
FirstEnergy Corporation

Wellinghoff

Chairman
Federal Energy Regulatory Commission

Brittany Westlake

AAAS S&T Policy Fellow
hosted by the Office of Electricity

Guohui Yuan

Principal Technical Advisor ManTech / DOE
