C. H. ALBRIGHT, JR.
UNDER SECRETARY OF ENERGY

RAYMOND L. ORBACH
UNDER SECRETARY FOR SCIENCE

FROM: GLENN S. PODONSKY
CHIEF HEALTH, SAFETY AND SECURITY OFFICER OFFICE OF
HEALTH, SAFETY AND SECURITY

SUBJECT: ACTION: Technical Position on the Use of National
Consensus and Building Codes to Meet DOE Order 420.1B,
Facility Safety

ISSUE: The attached technical position on the Use of National Consensus and Building Codes to meet Department of Energy (DOE) Order 420.1B, Facility Safety, clarifies the use of national consensus and building codes consistent with the requirements of DOE O 420.1B.

BACKGROUND: The attached technical position was developed in response to line organization requests for clarification and it will be posted on the Office of Nuclear Safety and Environmental Policy web page for technical positions (<http://www.hss.energy.gov/NuclearSafety/nsps/interpretations.html>). Both the Chief of Nuclear Safety and the Chief, Defense Nuclear Safety, have concurred on this position for DOE nuclear facilities. The next revision of DOE O 420.1B will be clarified consistent with this position.
