

Self-powered Hydrogen + Oxygen Injection System

Jack Bass
Hi-Z Technology, Inc.
San Diego, CA USA

Tom Fairfull
Dynamic Fuel Systems, Inc.
Pickering, Ontario, Canada

Presented at the DEER Meeting, Detroit, Michigan

August 2006

Self-powered Hydrogen-Oxygen Injection System

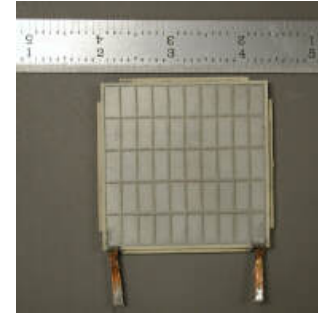

180 W generator

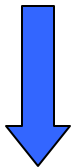

Jetstar Hydrogen Generator

Bulk Module

Self-powered Hydrogen-Oxygen Injection Systems (Continued)

Complete combustion
Fast flame front

NO₂ reduced / emissions reduced

Mileage increased

Power Increased

Unburned HC reduced
