Re: *American LNG Marketing LLC*, DOE/FE Docket No. 15-19-LNG
Semi-Annual Report

Dear Ms. Moore:

Pursuant to Ordering Paragraph J of DOE/FE Order No. 3656, American LNG Marketing LLC (“American LNG”) hereby submits its semi-annual report describing the progress of the proposed liquefaction facility.¹ Construction of the Titusville Facility is ongoing, and American LNG expects commercial LNG production at the Titusville Facility to begin in April 2016. American LNG is in negotiations with potential counterparties for sales of exported LNG. Exports of LNG from the Titusville Facility will commence sometime thereafter depending on the outcome of the ongoing discussions.

Please contact me if you have any questions.

Respectfully submitted,

/s/ John S. Decker
