

MOSRC Field Definitions 01202016

Field Name	Definition
Prime Contract Procurement Instrument Identifier	The unique Prime Contractor identifier as it is recorded on the original (or base) contract in FPDS-NG. This must be a valid DOE M&O PIID, as recorded in FPDS-NG.
Prime Contract DUNS Number	The Prime Contractor's Dun and Bradstreet Data Universal Numbering System (DUNS) as it is recorded on the prime contract in FPDS-NG.
Subcontract DUNS Number	The Subcontracting DUNS Number. The Data Universal Numbering System (DUNS) Number is a unique nine-character identification number provided by the commercial company Dun and Bradstreet (D&B).
Subcontract Vendor Name	The legal name of the vendor supplying the product or service.
Subcontract Procurement Instrument Identifier	The unique identifier for each subcontract, agreement or order, by the prime contract.
Subcontract Modification Number	An identifier issued by the prime contractor that uniquely identifies one modification for one contract, agreement, order, etc. For any given Subcontract PIID, all Modification Numbers must be unique. The initial (Base) subcontract modification number should always be 0.
Subcontract Date Signed	The 'commitment' date that a mutually binding agreement was reached. The date signed by the prime contractor or the subcontractor, whichever is later. The display format is MMDDYYYY.
Subcontract Government Fiscal Year	Based on the SUB_DATE_SIGNED field, this represents the Government fiscal year the contract was signed in. Government fiscal years are from Oct 1 through Sep 30.
Subcontract Obligated Dollars	The net dollar amount on a commitment basis (not on a payment basis) of the action. Enter the net amount (in dollars and cents) for this action. If the net amount is zero, enter zero. If the net amount is negative, enter a minus sign in addition to the net amount. (Dollar value - numeric, and comma. Decimal point is required before cents. Minus sign required for negative values.) Note: ESRS defined "Commitment Basis" as, "The process of capturing subcontract dollars when you execute the subcontract award documents."
Subcontract Determination of Business Size by Prime Contractor	The prime contractor's determination of whether the selected subcontractor meets the small business size standard for award to a small business for the NAICS code that is applicable to the contract. The options are: "SMALL BUSINESS" or "OTHER THAN SMALL BUSINESS". This is a required field with no blank (empty/null) values.
Subcontract Principal NAICS Code	Report the principal North American Industry Classification System (NAICS) code that is applicable to the contract. Must be a valid 6 character NAICS code.
Subcontract Principal NAICS Description	Description of the NAICS code entered for the subcontractor.
