ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into by the U.S. Department of Energy (“DOE”) and Dongbu Daewoo Electronics Corporation (“Respondent”). The Compromise Agreement resolves a matter initiated to pursue a civil penalty for violations of the compliance certification requirements located at 10 C.F.R. Part 429.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement, which would complete the adjudication of the case.
4. Based on the information in the case file and Respondent’s admission of facts establishing violations, I find that Respondent knowingly committed Prohibited Acts by failing to comply with 10 C.F.R. § 429.12. *See* 10 C.F.R. § 429.102(a)(1); 42 U.S.C. § 6302.
5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, **I HEREBY ASSESS** a civil penalty of \$12,000 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.

II. RECITALS

WHEREAS, DOE, pursuant to 42 U.S.C. § 6291 *et seq.*, is responsible for promulgating and enforcing the energy conservation requirements set forth in DOE Rules; and

WHEREAS, DOE has promulgated energy conservation standards for refrigerator-freezers at 10 C.F.R. § 430.32(a), and DOE requires manufacturers to submit information and reports to ensure compliance with those standards pursuant to 10 C.F.R. Part 429; and

WHEREAS, DOE, pursuant to 42 U.S.C. §§ 6296, 6302, and 6303 and 10 C.F.R. Part 429, Subpart C, is authorized to assess civil monetary penalties for actions prohibited by the Act, including knowingly failing to make reports or provide other required information; and

WHEREAS, DOE, on January 8, 2015, initiated an action to assess a civil penalty for failing to certify compliance and submit a certification report for basic model FRG1820BRW; and

WHEREAS, Respondent admits:

1. Respondent has manufactured and distributed in commerce and continues to distribute in commerce refrigerator-freezers, including basic model FRG1820BRW;
2. This basic model has been in distribution in commerce in the United States for at least 365 days;
3. This basic model is a “covered product”; and
4. As of January 8, 2015, Respondent had failed to submit the required certification reports for this basic model; and

WHEREAS, DOE, as the agency charged with developing and administering a balanced and coordinated national energy policy, concludes that, in light of the circumstances, this Compromise Agreement properly balances the policies recognized in the Energy Policy and Conservation Act and is the appropriate way to resolve this matter;

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements set forth below, the sufficiency and adequacy of which are hereby acknowledged, the Parties agree as follows:

III. TERMS OF THE AGREEMENT

1. **Adopting Order.** The Parties agree that the provisions of this Compromise Agreement shall be subject to final approval by the General Counsel by incorporation of such provisions by reference in the Adopting Order without change, addition, modification, or deletion.
2. **Obligations of Respondent.**
 - a. If this Compromise Agreement is executed within thirty (30) calendar days after the date of the Notice, Respondent agrees to pay the sum of \$12,000, as full satisfaction of the civil penalty proposed in the Notice, within thirty (30) calendar days of the issuance of the Adopting Order.
 - b. Within sixty (60) calendar days following the issuance of the Adopting Order, Respondent will, in accordance with 10 C.F.R. Part 429, certify all basic models of all

covered products and covered equipment that Respondent manufactures and distributes in commerce in the United States.

3. **Obligations of DOE.**

- a. In express reliance on the covenants and representations in this Compromise Agreement and to avoid further expenditure of public resources, DOE agrees to accept Respondent's payment pursuant to section III.2.a in full satisfaction of the penalty authorized by the Act.
- b. DOE agrees to issue promptly an Adopting Order adopting this Agreement.
- c. DOE agrees to terminate this enforcement action with prejudice upon Respondent's completion of its Obligations in accordance with section III.2, above. If Respondent fails to complete its Obligations in accordance with section III.2, above, DOE may notify Respondent that the Agreement is null and void and may seek the maximum penalty in accordance with 10 C.F.R. § 429.120.

4. **Jurisdiction.** This Compromise Agreement is entered into pursuant to DOE's authority to interpret and enforce its rules for energy efficiency and to enter into its own agreements interpreting and applying those rules. The Parties agree that DOE has jurisdiction over Respondent and primary jurisdiction over the matters contained in this Compromise Agreement and has the authority to enter into this Compromise Agreement.

5. **Effective Date.** The Parties agree that this Compromise Agreement shall become effective on the date on which the General Counsel issues the Adopting Order. Upon release, the Adopting Order and this Compromise Agreement shall have the same force and effect as any other Order of the General Counsel. Any violation of the Adopting Order or of the terms of this Compromise Agreement shall constitute a separate violation of an Agency Order, entitling DOE to exercise any rights and remedies attendant to the enforcement of an Agency Order.

6. **Payment Instructions and Late Payments.** The Parties agree that all payments shall be made in a timely manner and in a method set forth in the attached "Payment Instructions." Respondent acknowledges and agrees to comply with the "Late Payment" provisions provided therein.

7. **Waivers.** Respondent agrees not to seek judicial review or otherwise contest or challenge the validity of the terms and penalties set out in this Compromise Agreement or the Notice associated with this case. If either Party (or the United States on behalf of DOE) brings a judicial action to enforce the terms of this Compromise Agreement, neither Respondent nor DOE shall contest the validity of the Compromise Agreement, and Respondent waives any statutory right to a trial *de novo*. Respondent hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504, relating to the matters addressed in this Compromise Agreement.

8. **Final Settlement.** The Parties agree and acknowledge that this Compromise Agreement shall constitute a final settlement between the Parties. This Compromise Agreement resolves only issues addressed in the Compromise Agreement.

9. **Merger.** This Compromise Agreement constitutes the entire agreement between the Parties and supersedes all previous understandings and agreements between the Parties, whether oral or written.
10. **Modifications.** This Compromise Agreement cannot be modified without the advance written consent of both Parties.
11. **Severability.** If any provision of this agreement is held to be invalid, illegal, void, or unenforceable, then that provision is to be construed by modifying it to the minimum extent necessary to make it enforceable.
12. **Authorized Representative.** Each party represents and warrants to the other that it has full power and authority to enter into this Compromise Agreement.
13. **Counterparts.** This Compromise Agreement may be signed in any number of counterparts (including by facsimile or electronic mail), each of which, when executed and delivered, shall be an original, and all of which counterparts together shall constitute one and the same fully executed instrument.

Late Payments

Interest, Late-Payment Penalties, and Administrative Charges

If you pay the civil penalty by the due date, no interest will be charged. If you do not pay by the due date, DOE will start collection activities and may assess interest, a late-payment penalty, and administrative charges as set forth in 31 U.S.C. § 3717 and 31 C.F.R. § 901.9.

The rate of interest will be determined under the above authorities and charged from the date of delinquency. A late-payment penalty of six (6) percent per year applies to any portion of the debt that is more than ninety (90) calendar days past due. The late-payment penalty is calculated from the date that the debt becomes delinquent. Finally, DOE may collect any administrative costs incurred in collecting a delinquent debt.

Treasury Department Collection

DOE may also refer any delinquent payment and associated charges to the U.S. Department of Treasury for collection. The Department of the Treasury may offset these amounts against any payment due to you. 31 C.F.R. § 901.3.

Under the Debt Collection Act, 31 U.S.C. § 3716, a debtor has certain procedural rights prior to an offset. You, as the debtor, have the right to be notified of: (1) the nature and amount of the debt; (2) the agency's intention to collect the debt by offset; (3) the right to inspect and copy the agency records pertaining to the debt; (4) the right to request a review within the agency of the indebtedness; and (5) the right to enter into a written agreement with the agency to repay the debt. The foregoing information constitutes written notification of these procedural rights.
