## Interagency ADR Working Group

The Interagency Alternative Dispute Resolution (ADR) Working Group was established by Presidential Memorandum dated May 1, 1998, to assist Federal agencies in developing and implementing ADR programs. The Working Group's members are ADR professionals in agencies across the Federal Government. The President appointed the Attorney General as the leader of the Interagency Working Group. The Interagency ADR Working Group is the central forum and resource for information about the Federal government's use of ADR. The working group advances the use of ADR through coordination of multi-agency initiatives, promotion of best practices and programs, and dissemination of policy and guidance.

The Alternative Dispute Resolution (ADR) Office is the Department of Energy's representative on the Working Group and its Workplace Conflict Management Section. These ADR Lunchtime Series are hosted by DOE and coordinated by ADR Office staff.
