Harrison, OH 45030

Dear Fernald Preserve,

The Butler Soil and Water Conservation District would like to acknowledge Fernald's commitment to educating the public on the importance of conserving our natural resources and environmental remediation. Your facility and staff have been a great resource for many of our programs and events. As a result of your continued support and dedication to environmental education, our District would like to honor you with our Conservation Educator of the Year Award this year during our Annual meeting on Tuesday, August 28, 2018.

We invite the Fernald and US Department of Energy staff to come to our annual meeting/open house to receive this award and be recognized. We have a free meal from 4 to 6 pm, with our awards program immediately following.

We are also working on a slide show of all of our award recipients. If you have any pictures of either events you have hosted for Butler SWCD, or pictures of your preserve please send those to [crouka@butlercountyohio.org](mailto:crouka@butlercountyohio.org).

Thank you for your continued partnership and we look forward to seeing you at our annual meeting. If you cannot attend, please let me know by August 17, 2018.

Sincerely,

A handwritten signature in blue ink, appearing to be "K. Crout", written over a horizontal line.
