Federal Utility Partnership Working Group Seminar
Code of Conduct

The Federal Utility Partnership Working Group, initiated in 1994, was established to foster partnerships and facilitate communications among federal agencies and their regulated serving utilities to help agencies achieve their energy-related goals. All seminar attendees are required to honor the Federal Utility Partnership Working Group Seminar guidelines. Hospitality and social functions (on- and off-site) are strictly prohibited from conflicting with the timing of FUPWG Seminar activities listed in the schedule of events. **Aggressive sales techniques are to be avoided while attending the seminar.** Signs and flyers may not be displayed or distributed in the meeting or guestroom areas of the hotel reserved for FUPWG Seminar participants.
