

DOE FEMP Welcome and Announcements

Tracy Niro
Utility Program Manager

May 2, 2019

Welcome to the Spring 2019 FUPWG Seminar

- Thank you, San Diego Gas & Electric - 2019 Spring FUPWG Seminar host utility.

- Special thanks to Joe Pierzina and his associates Joe Garrido and Ray Robeson for their hard work to coordinate this seminar. Thank you also to Kim Chan and Kalala Foxworthy for their great help at the registration desk.
- Thank you to FUPWG Fed Council (maroon ribbons)
- Thank you speakers (blue ribbons)
- Fire exits & restrooms
- Please silence your cell phone

Announcements

- **Parking.** The Marriott is providing discounted parking (\$10 self, \$15 valet) please make sure to get a “chaser ticket” from the FUPWG registration desk for each day you attend
 - The chaser ticket will validate your parking ticket for the discounted amount as you exit.
- **Lunch today is provided – location: West Lawn**
- **Lunch tomorrow is on your own (several nearby options)**
- **Reminder: Special sessions tomorrow afternoon—Energy Lawyers and Contracting Officers Forum and Technical Project Focus—are open to all**

FUPWG Spring 2019

Who is here today?

- Agency representatives
- Utility representatives – are you listed on our website?
- Energy Service Companies
- Other

91 first-time FUPWG Seminar Attendees

- **Reach out to the UESC Team (Tracy, Karen, Deb, Katy, Katie, Brian, Susan and Matt) to facilitate networking. (teal ribbons)**
 - FUPWG Challenge - Sit with someone new at lunch today
- **Evaluation Form – Help us improve FUPWG! Please complete and return the form.**

FUPWG Seminar Basics

Attendees agree to follow the Federal Utility Partnership Working Group Seminar Code of Conduct:

- Hospitality/social functions (on and off-site) **and any related meetings** must not conflict with the timing of official FUPWG Seminar activities listed on the Agenda.
- Aggressive sales techniques are to be avoided while attending the Seminar. Signs and flyers may not be displayed or distributed in the seminar or guestroom areas of the hotel reserved for FUPWG Seminar participants.

NEW - Continuing Education Units (CEUs)

- A total of 1.1 International Association for Continuing Education and Training (IACET) CEUs will be offered
- CEUs are offered in four session blocks:
 - Session 1 – Efficiency as a Resilience Measure: 0.3 CEUs
 - Session 2 – UESC Best Practices: 0.3 CEUs
 - Session 3 – UESC Analytics for Decisions: 0.3 CEUs
 - Special Session 4 – Lawyers and CO Forum/UESC Technical Session: 0.2 CEUs
- Detailed instructions are included in your registration booklet
- *We will continue to issue Certificates of Participation*

Important – Follow Instructions to Get CEUs

To Receive IACET-Certified CEUs, attendees must:

1. Attend the training in full (no exceptions)
2. Sign in and out of sessions
3. Complete an **assessment** demonstrating knowledge of course learning objectives within six weeks of the training
 - Minimum score of 80% correct is required to pass
4. Complete an **evaluation** of the training event within six weeks of the training

Complete your training eval/assessment no later than JUNE 12, 2019 or forfeit CEUs!

To Receive IACET-Certified CEUs

Access the assessment and evaluation via the link posted on this screen during breaks.

- If you do not have a Whole Building Design Guide account created, you will be required to create one.

Note: Please include your full name to verify event attendance for CEU certification and award.

For logistical questions related to the webinar or evaluation, email Elena Meehan at elena.meehan@ee.doe.gov.

Data Reporting to FEMP and GSA

Voluntary data reporting is vital to understanding current trends and measuring UESC Program success.

- **FEMP data collection efforts are coordinated by:**
 - Elvin Yüzügüllü, elvin.yuzugullu@gdit.com
- **Recently updated UESC data reporting process**
 - More information on the UESC Data Collection website:
<https://www.energy.gov/eere/femp/utility-energy-service-contract-project-data-collection>
- **Reminder: Send GSA copies of awarded task orders**
 - Mark Ewing, GSA Energy Center of Expertise, email: energy@gsa.gov

Over 2,100 projects and \$3.8 billion in investment in federal infrastructure since 1992.

Best Wishes for Miranda Webster!

*Thank you Miranda, welcome
Tannis Taylor!*

- Miranda Webster has moved on from her role as Contracting Officer for the GSA Areawide Contract Program
- Tannis Taylor is serving in an acting capacity as Contracting Officer for the GSA Areawide Contract Program
- energy@gsa.gov

UESC Training

■ Training Workshops

- Successful pre-FUPWG **in-person training** here in San Diego: 50 Attendees (Federal and utility representatives)
- For **Agencies**: Training is available for groups of 5 or more via webinar or in person for 10 or more attendees
- For **Utilities**: Utility-specific training is available via webinar
- For **ESCOs**: First UESC Training for ESCOs webinar was held on April 4
- **Topical**: Performance Assurance Training will debut in FY2019
- Energy Exchange Training

■ Webinars

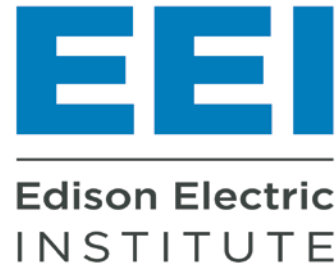

- On-Demand Webinars available; new webinars in development

■ Federal/Utility Strategic Partnership Training

- For utilities with new/updated UESC Programs and large Federal customer base
- TECO Strategic Partnership Meeting – June 26

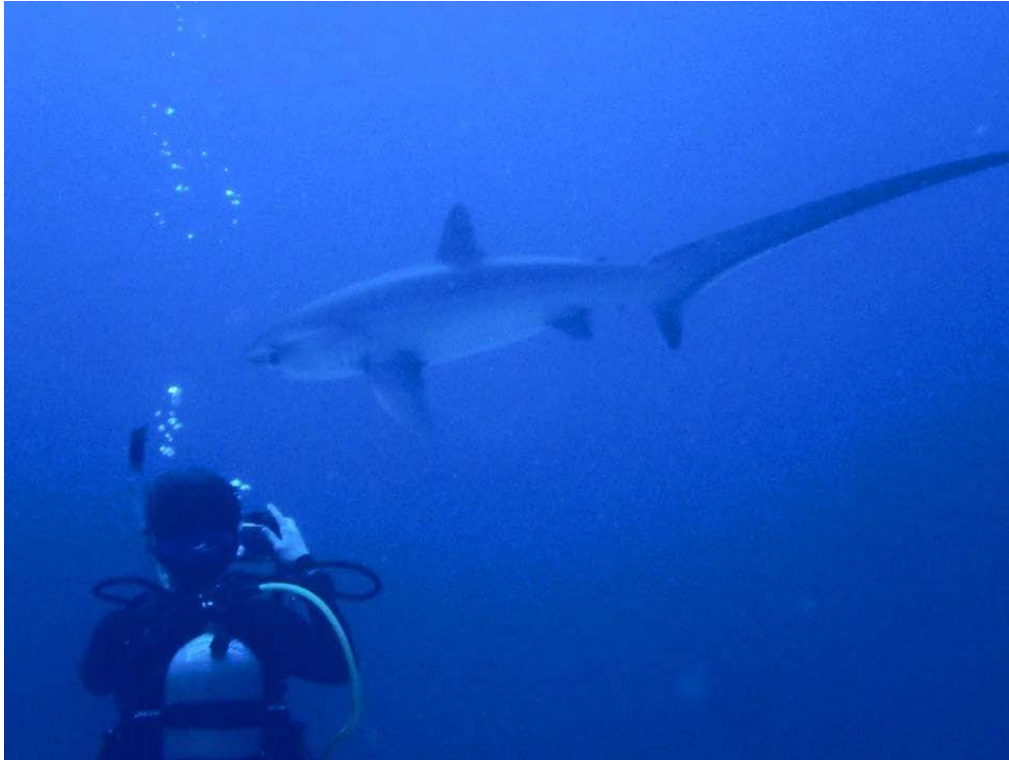

Save the Date - Fall 2019 FUPWG

- 2019 Fall FUPWG will be hosted by EEI: November 7-8, 2019 in Washington, DC.

- Please provide ideas for session topics including recommended speakers on the FUPWG website or via email to the UESC Team by August 1.
- Your thoughtful ideas for session topics including speaker nominations are much appreciated. Help us keep FUPWG interesting and relevant to you.

Thank You
