APRIL 16 – 18, 2019 | PITTSBURGH, PA

# Fossil Energy Laboratories & Facilities

# Fossil Energy Mission & Vision

---

## MISSION

U.S. Department of Energy's Office of Fossil Energy (FE) plays a key role in helping, the United States meet its continually growing need for secure, reasonably priced and environmentally sound fossil energy supplies. FE's primary mission is to ensure the nation can continue to rely on traditional resources for clean, secure and affordable energy while enhancing environmental protection.

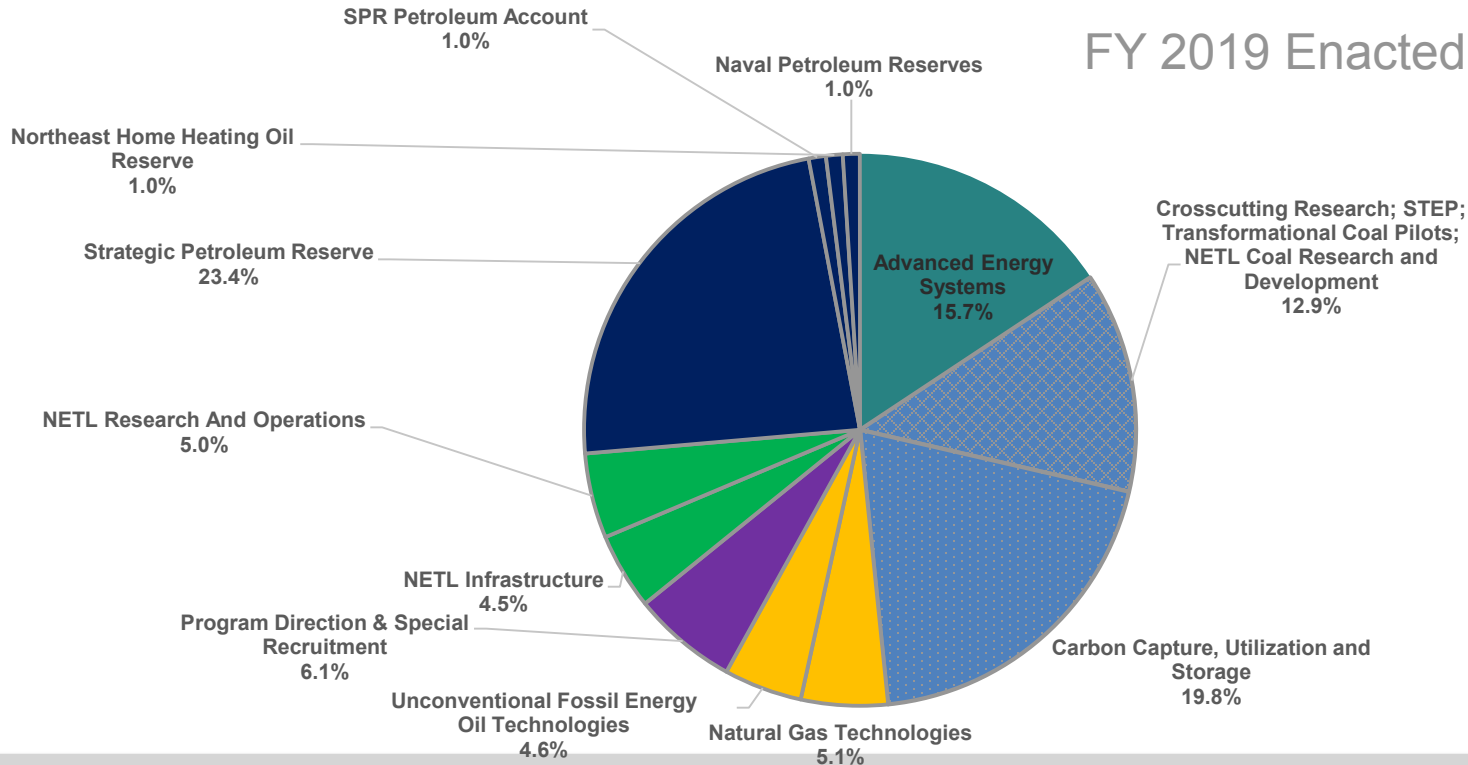

## VISION

Be the nation's renowned fossil energy science and engineering resources, delivering world class technology solutions.....  
today and tomorrow.
