Attention: Venture Global Calcasieu Pass, LLC
FE Docket Nos. 13-69-LNG, 14-88-LNG, and 15-25-LNG
PRIVILEGED AND CONFIDENTIAL Submission of Contract
and Summary of Major Provisions of Contract for Public Posting

Dear Ms. Sweeney:

Venture Global Calcasieu Pass, LLC (“Calcasieu Pass”) was granted long-term, multi-contract authority to export liquefied natural gas (LNG) (1) to nations with whom the United States has not entered into a Free Trade Agreement (FTA) requiring the national treatment of natural gas in Order No. 4346 issued in FE Docket Nos. 13-69-LNG, 14-88-LNG, and 15-25-LNG on March 5, 2019, and (2) to FTA nations in earlier orders in those same dockets.¹ Ordering Paragraph I(i) of Order No. 4346 requires Calcasieu Pass to file a non-redacted copy of all executed long-term contracts associated with the long-term supply of natural gas to its Project within thirty days of contract execution. Ordering Paragraph (D) of each of the FTA authorizations reflects the same filing requirement and further provides that, if a contract is filed under seal and subject to a claim of confidentiality or privilege, Calcasieu Pass also must file for public posting a summary of the non-proprietary, major provisions of the contract.

In accordance with this requirement of its export authorizations, Calcasieu Pass hereby submits, under seal on a confidential basis, a full and unredacted copy of the Base Contract for Sale and

¹ Order No. 3345 issued in FE Docket No. 13-69-LNG on September 27, 2013; Order No. 3520 issued in FE Docket No. 14-88-LNG on October 10, 2014; and Order No. 3662 issued in FE Docket No. 15-25-LNG on June 17, 2015.

LATHAM & WATKINS^{LLP}

Purchase of Natural Gas, including an associated Transaction Confirmation, by and between Calcasieu Pass and Indigo Minerals LLC, dated as of April 18, 2019. Under this agreement, Indigo Minerals LLC will sell, and Calcasieu Pass will purchase, natural gas on a long-term basis.

This contract is highly confidential and contains commercially valuable and proprietary information the disclosure of which would cause competitive and financial harm to the parties to the contract. Accordingly, Calcasieu Pass respectfully requests that the contract be treated and maintained as confidential to the greatest extent permitted by law.

Calcasieu Pass also includes with this filing a summary, for public posting, of the major non-proprietary provisions of the contract. The summary utilizes the template followed by other LNG export projects when filing long-term gas supply contracts.

If you have any questions about the filed contract or related matters, please contact the undersigned counsel for Calcasieu Pass.

Sincerely,

/s/ J. Patrick Nevins
