Re: Semi-Annual Report for Blue Water Fuels, LLC; DOE/FE Docket No. 18-27-LNG

Dear Sir or Madam:

Pursuant to Ordering Paragraph L of DOE/FE Order No. 4202, Blue Water Fuels, LLC ("Blue Water") hereby submits its semi-annual report describing the status of the long-term contracts associated with the long-term export of LNG and any long-term supply contracts. Blue Water has not entered into any long-term sales agreements for the export of LNG. Exports of LNG would begin following execution of any long-term LNG sales agreements. The Nu Blu Energy Facility is operational and producing LNG for US domestic use. It does not have any long-term supply contracts for exportation of LNG.

Please contact me if you have any questions.

Very truly yours,
