MEMORANDUM FOR JEFFREY D. FEIT
OFFICE OF QUALITY ASSURANCE
OFFICE OF NUCLEAR SAFETY

FROM: PATRICIA R. WORTHINGTON, PHD *PW*
DIRECTOR
OFFICE OF HEALTH AND SAFETY
OFFICE OF ENVIRONMENT, HEALTH, SAFETY
AND SECURITY

SUBJECT: Approval of Department of Energy Technical Standard, 1232-2019,
Department of Energy Voluntary Protection Program, Volumes 1-4;
Project Number: P2017-01

The referenced Department of Energy (DOE) Standard (STD) 1232-2019, *Department of Energy Voluntary Protection Program, Volumes 1-4*, is approved for posting on the DOE Technical Standards Web page.

This standard was reviewed by the DOE Program Offices, Support Offices, and Field Offices, as well as the Defense Nuclear Facilities Safety Board through a formal coordination process, and all essential comments have been appropriately resolved. Additionally, the Office of Work Safety and Health Assistance, who is the Office of Primary Interest for the Technical Standard, has reviewed and approved the document.

The point of contact for this document is Bradley K. Davy, Director, Office of Worker Safety and Health Assistance. Mr. Davy can be reached at (301) 903-2473 or via e-mail at [**Brad.davy@hq.doe.gov**](mailto:Brad.davy@hq.doe.gov)

The official copy of DOE-STD 1232-2019 is being provided concurrently with this memorandum and is electronically attached to the AUCT ticket: AU11-16-N1-0036
