Item I — Definition of “Commercial Item” (FAR Case 2018-008)

This final rule implements the statutory changes to the definition of “commercial item” made by section 847 of the National Defense Authorization Act (NDAA) for 2018. Section 847 expands the universe of nondevelopmental items (NDIs) that qualify as commercial items to include items sold, in substantial quantities on a competitive basis, to multiple foreign governments. Specifically, the phrase “or to multiple foreign governments” is added to the end of paragraph 8 of the FAR part 2 definition. This rule will be effective November 12, 2019.
