Dear Ms. Moore:

Pursuant to Ordering Paragraph O of DOE/FE Order No. 4078,¹ Eagle LNG Partners Jacksonville II LLC ("Eagle Maxville") submits its semi-annual report providing an update in respect of the liquefaction facility.

The Eagle Maxville liquefaction facility is currently operational and has not executed any export contracts, although it is continuing to progress commercial discussions with potential off-takers. At this time, Eagle Maxville does not have an expected date for when it will commence first exports of LNG.

Sincerely,
