Proposed civil penalty: **\$122,640**

The U.S. Department of Energy (“DOE”) Office of the General Counsel, Office of Enforcement, alleges that S & V Restaurant Equipment Mfrs. Inc. d/b/a CustomCool (“S & V”) has violated certain provisions of the Energy Policy and Conservation Act, 42 U.S.C. § 6291 *et seq.* (“the Act”), and 10 C.F.R. Part 429, Subpart B.

Legal Requirements

A manufacturer must submit a certification report to DOE for each basic model of a covered product or covered equipment prior to distributing that basic model in commerce in the U.S. 10 C.F.R. § 429.12. Failure to submit a certification report for each basic model of a covered product and/or covered equipment as required by 10 C.F.R. Part 429 is a prohibited act pursuant to 10 C.F.R. § 429.102(a)(1) and subject to civil penalty as described in 10 C.F.R. § 429.120.

Allegations

DOE alleges:

1. S & V has manufactured¹ and distributed in commerce and continues to distribute in commerce commercial refrigerators, refrigerator-freezers, and freezers (commercial refrigeration equipment), including models LD38, GC96SC, and GDF5R.
2. S & V has distributed for at least 365 days, and continues to distribute, models LD38, GC96SC, and GDF5R in commerce in the U.S.

¹ “Manufacture” means to manufacture, produce, assemble, or import. 42 U.S.C. § 6291(10).

3. Commercial refrigeration equipment, including models LD38, GC96SC, and GDF5R, is “covered equipment.” See 42 U.S.C. § 6311; 10 C.F.R. § 431.2.
4. S & V knowingly failed to submit a certification report and compliance statement for models LD38, GC96SC, and GDF5R before distributing these models in commerce in the U.S., as required by 10 C.F.R. §§ 429.12 and 429.42.

The following information is provided in question and answer format to help explain your legal obligations and options.

What do I do now?

DOE is offering a settlement if you submit the signed Compromise Agreement within thirty (30) days of the date of this Notice. As part of that settlement, you must fulfill all obligations of the Compromise Agreement, including payment of the fine within thirty (30) calendar days after DOE issues an order adopting the Agreement (“Adopting Order”) and within sixty (60) calendar days of the date of the Adopting Order properly certify all models that you manufacture and distribute in commerce in the U.S. If you do not submit the required certification documents within sixty (60) calendar days of the date of the Adopting Order, you will be subject to the maximum penalty of \$449 per day per basic model for every day you do not certify each basic model.

If you do not choose to settle the case, DOE may seek the maximum penalty (**\$491,655**) authorized by law. You have other options as described below.

What are my other options?

If you do **not** agree to DOE’s settlement offer, then you must select Option 1 or Option 2 below within thirty (30) calendar days of the date of this Notice.

Option 1: You may elect to have DOE issue an order assessing a civil penalty. Failure to pay the assessed penalty within sixty (60) calendar days of the order assessing such penalty will result in referral of the case to a U.S. District Court for an order affirming the assessment of the civil penalty. The District Court has the authority to review the law and the facts *de novo*.

Option 2: You may elect to have DOE refer this matter to an Administrative Law Judge (“ALJ”) for an agency hearing on the record. Upon a finding of violation by the ALJ, DOE will issue an order assessing a civil penalty. This order may be appealed to the appropriate U.S. Court of Appeals.

When must I respond?

You must submit a signed Compromise Agreement within thirty (30) calendar days of the date of this notice to pay the lowest fine. If you do not wish to settle AND you wish to choose Option 1 as described above, you must notify DOE within thirty (30) calendar days of the date you received this notice of your selection of Option 1. Otherwise, if you do not settle the case, DOE will refer the case to an ALJ as described in Option 2.

How should I submit my response?

To assure timely receipt, DOE strongly encourages you to submit your response by e-mail, fax, or an express delivery service. DOE accepts scanned images of signed documents (such as PDFs). Responses may be sent by any of the following methods:
