Subject: Postpone June 2020 CAB meeting until late August

Dear Ms. Flohr,

In consideration of the COVID-19 pandemic, we recently polled the members of the Idaho Cleanup Project (ICP) Citizens Advisory Board (CAB) regarding potential options of holding our scheduled June 3 tour and June 4 meeting as a virtual tour and meeting by way of an online platform such as WebEx or postponing until August in the hopes of having an actual, physical meeting.

The responses to that poll are listed below:

Reschedule in August	Virtual meeting in June	Either way
1. Jackie Agenbroad	1. Marvin Fielding	1. Trilby McAfee
2. Josh Bartlome		
3. Brad Christensen		
4. Teri Ehresman		
5. Brandon Leatham		
6. Talia Martin		
7. Larry Schoen		
8. John Sigler		

Given the preponderance of CAB members who wish to postpone the meeting to a later date, and the uncertainty surrounding state and federal guidelines for public gatherings, we respectfully request to reschedule our summer tour and meeting sometime after August 19.

Would you please consider this request and allow us to coordinate to find a date that will be suitable for CAB members, stakeholders, and presenters?

Thanks and best wishes for health and safety,

Brad Christensen
Chair, ICP CAB
