

NTC TRAINING UPDATE

Presented by Al MacDougall
FTCP Virtual Meeting
August 18, 2020

Distance Learning (DL) Instructor-Led Training

- Completed conversion of DOE-310, *Data Analysis and Reporting*
 - Content split up with defined instructor interactions
 - Exercises modified with examples provided and explained rather than students developing in teams
 - Pilot tentatively scheduled for September 15-17
 - planning on 8-12 students for 3-4 hours a day

Distance Learning (DL) Instructor-Led Training

- Convert DOE-320, *Causal Analysis and Corrective Action*, DOE-120, *Oversight Implementation*, and FOO-200, *Conduct of Operations*, by the end of CY 2020 and pilot in first quarter CY 2021
- Will be using the Training Version of WebEx that has more capabilities such as breakout groups, whiteboard, polling and surveys
- Currently using this platform for a DL version of the Basic Instructor Training (August 10-21, 2020)

Audio Evaluation Guides

- Capturing discussion of expected knowledge in GTB Part B in audio files
- 20-40 minute long audio sessions that will also be transcribed for reference similar to evaluation guides
- Currently have GTB Part B, Performance Competency #1 Knowledge Requirements A-E captured in three sessions
- Maintaining these on the NTC Website <https://ntc.doe.gov/student/stp/techqualprogram> under GTB supporting materials
- Planning on completing GTB Part B by the end of October 2020
- Will expand into other topics for both initial and continuing training

CY 2021 Training Schedule

- For planning purposes traditional in person classroom instructor-led courses will not be scheduled until 2nd QTR 2021 or later
- Will schedule distance learning instructor-led courses as they are developed and ready for piloting
- In person classroom instructor-led courses will be considered on a case-by-case basis
 - Priority will be given to “mission critical” training
 - Training that directly supports completion of initial qualification within the next 6-9 months
 - GTB Part B Instructor-Led Classroom Training for new DOE employees on boarded within the last 3-6 months
 - Will look at IDP data in LN to support identification of initial qualification training requirements
