Re: Carib Energy (USA), LLC
Vacate Letter
DOE/FE Order No. 3487, FE Docket Nos. 11-141-LNG

Dear Sirs and Madams:

Carib Energy (USA), LLC (“Carib”) has made the decision to stop pursuing the export of LNG in ISO containers from the Floridian Natural Gas Storage Company LNG facility in Martin County, Florida. Consequently, through this letter, Carib seeks to vacate DOE/FE Order Nos. 3487 issued by the Department of Energy, Office of Fossil Energy (“DOE/FE”) in FE Docket No. 11-141-LNG, granting Carib long-term authorization to export liquified natural gas in ISO containers to Non Free Trade Agreement nations in Central America, South America, and the Caribbean.

Carib wishes to thank the DOE staff for its diligent work in this docket. Should you have any questions, please do not hesitate to contact me at 904-727-2133.

Sincerely,
/s/ Matthew G Jackson
