Re: Driftwood LNG LLC
FE Docket No. 16-144-LNG
DOE/FE Order Nos. 3968, 3968-A, 4373, and 4373-A
Semi-Annual Report (October 1, 2020 – March 31, 2021)

To Whom It May Concern:

Pursuant to Condition J of DOE/FE Order 3968, Condition B of DOE/FE Order 3968-A, Condition M of DOE/FE Order 4373, and Condition D of DOE/FE Order 4373-A ("Orders"), Driftwood LNG LLC ("DWLNG") is providing herein the semi-annual status report for the Driftwood LNG Facility for the period October 1, 2020, through March 31, 2021.

DWLNG has obtained all applicable federal and state permits required for the Project at this time. Construction has not commenced for the Driftwood LNG Facility.

DWLNG is continuing to develop and negotiate terms for long-term LNG export contracts and long-term supply contracts for the Driftwood LNG Facility. In accordance with Conditions D(1) and D(2) of DOE/FE Order 3968, Condition B of DOE/FE Order 3968-A, and Conditions I(1) and I(2) of DOE/FE Order 4373, DWLNG will file copies of long-term contracts upon execution.

DWLNG had previously reported that TOTAL Delaware, Inc. ("TOTAL"), a Delaware corporation and subsidiary of TOTAL SE (formerly known as TOTAL S.A.), holds greater than 10% of the outstanding shares of DWLNG's parent company, Tellurian Inc.¹ Since that time, TOTAL has sold certain of its shares of Tellurian stock with the end result that TOTAL now owns less than a 10% ownership stake in Tellurian Inc.

For any further inquiries, please feel free to contact me at (832) 962-4031.

¹ See e.g., Supplement to Long-Term Authorization and Application for Long-Term Authorization filed in FE Docket 16-144-LNG (March 5, 2018).
