Good morning Ryan,
Thank you so much for your email below. I will be processing your vacate request. I'd like you to please confirm that the CNG export authorization you would like the Office of Fossil Energy (FE) of the Department of Energy (DOE) to vacate is for Pentagon Energy L.L.C. (formerly Wentworth Gas Marketing LLC) in FE Docket No. 14-63-CNG, DOE/FE Order No. 3515?

Kind regards,

Good morning Peri,
Please accept this email as confirmation to vacate subject CNG authorization, effective May 31, 2021. Unfortunately a combination of funding constraints and market forces associated with the COVID outbreak and policy response has made the project untenable.

Thank you for your support and assistance in this regards
Yours sincerely
