**Request for Proposal (RFP) No. 89233220RNA000002  
Amendment 0004**

A. NNSA hereby amends the subject RFP. The following sections of the RFP are amended. For the convenience of Offerors, NNSA has utilized red text for **additions** and strikethrough for ~~deletions~~ to describe the changes. The updated RFP documents issued via FedConnect are controlling.

**RFP No. 89233220RNA000002 Cover Page**

- Offerors shall ensure all 5 signed copies of the RFP Cover Page (Original RFP, Amendment 0001- 0004) are returned with their final proposal revision (FPR) as instructed under Section L-9, *Proposal Preparation Instructions – Volume I, The Offer* (b).

**Sec L - Instructions, Conditions, and Notices to Offeror**

- Provision L-8, *Proposal Preparation Instructions – General*. Subparagraph (c) is amended to add verbiage as follows:
  - (c) Submission of Proposals. Submission of final proposal revisions (FPRs) shall consist of new and complete Volumes I, II, and III. Offerors shall submit “clean” copies of Volumes I, II and III along with “line-in/line-out” versions of Volumes I, II and III electronically via FedConnect. The “clean” copies will be used for verification of compliance with formatting instructions, and other requirements such as page limitations, and will be treated as the FPR. The purpose of the “line-in/line-out” copies is to facilitate traceability from initial proposals submitted to the FPR. The content of “line-in/line-out” submissions shall be identical to the “clean” submittal, but it shall fully indicate all edits made to the initial proposal text. The following edit feature settings shall be applied: inserted text--red and underlined; deleted text--struck through in black; changes to formatting--none. A vertical bar in the left margin shall be applied for changed lines. All changes and additional documentation provided within a particular Volume shall be documented via cover page crosswalk. It is the Offeror’s responsibility to ensure that revisions do not create inconsistencies, which may negatively impact its evaluation. **Note: The FAR Report (reference *Section L-8(c)(4)*), SAM Assertions (*Section L-8(c)(6)*), and Annual Reports (*Section L-8(d)*) do not require “line-in/line-out” copies, but shall be noted in the crosswalk.**
