Headquarters Program Elements/Offices

The Department of Energy's (DOE's) Program Elements/Offices are primarily located at DOE's Headquarters (Washington, DC, L'Enfant Plaza, and Germantown, MD). The contacts below have been identified as the Small Business Program Manager (SBPM). The SBPMs assist small businesses in marketing to their respective program element/offices, and if applicable to their site and/or facility. DOE's major mission program elements/offices are denoted by asterisk (*). The other offices listed are staff offices.

U.S. Department of Energy's Contracting Offices

DOE has a decentralized procurement process for procuring goods and services which is carried out by the contracting offices primarily at the field locations. The Headquarters Procurement Services office procures for many of the program elements/offices at Headquarters DOE. One major responsibility of many of these contracting offices, along with their site offices, is to administer the contracts of their Facility Management Contractors (FMCs), and other major contractors that are identified in Section III.

Facility Management Contractors (FMCs) and Other Major DOE Contractors

The Facility Management Contractors (FMCs) listed in this section are DOE prime contractors which manage and operate (M&O) national laboratories and DOE field sites.

- DOE spends approximately 85% of its procurement base on these contractors.
- As these FMCs achieve the mission of the field site they manage and operate, they have independent buying authority and use best commercial practices to subcontract for good and services.
- Moreover, DOE flows down small business buying preferences in order to help the FMCs meet their small business subcontracting plan goals.
- Historically, all of the FMCs were referred to as Management and Operating (M&O) contractors, which are described in detail under the Federal Acquisition Regulation (FAR) Subpart 17.6.
- Currently, the M&Os comprise the DOE national laboratories, which are also Federally Funded Research and Development Centers (FFRDCs), and a few selected site FMCs.
- We encourage the public to view their websites, understand their mission(s), and explore DOE's prime and subcontract business at www.smallbusiness.energy.gov.
