Long-Term Supply Contract**

Dear Ms. Sweeney:

Sabine Pass Liquefaction, LLC ("Sabine Pass") hereby notifies the Department of Energy, Office of Fossil Energy ("DOE/FE") of a change in counterparty identity in respect of previously submitted long-term contracts associated with the long-term supply of natural gas to the Sabine Pass LNG facilities in southwest Cameron Parish, Louisiana.

Sabine Pass previously submitted three Transaction Confirmations to DOE/FE, dated November 30, 2018, August 8, 2019, and August 27, 2019 respectively, each between Sabine Pass as buyer and Indigo Minerals LLC as seller (the "Confirmations"). Sabine Pass has received notification that, as a result of the acquisition of Indigo Natural Resources LLC by Southwestern Energy Company, the Confirmations have ultimately been assigned to and assumed by SWN Energy Services Company, LLC ("SES"). The Confirmations are now governed by the NAESB Base Contract for Sale and Purchase of Natural Gas dated November 1, 2013 between SES and Sabine Pass.

Other than the change in seller identity, the terms and conditions set out in the Confirmations remain unchanged.

Should you have any questions, please contact the undersigned at 713-375-5000.

Respectfully submitted,

/s/ Taylor Johnson
