**ORDER**

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into by the U.S. Department of Energy (“DOE”) and Anthony, Inc. (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for distributing in commerce in the United States walk-in cooler and walk-in freezer doors that are not in compliance with the applicable energy conservation standards at 10 C.F.R. § 431.306.
2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolves this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.
3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement, which would complete the adjudication of the case.
4. Based on the information in the case file and Respondent’s admission of facts establishing violations, I find that Respondent committed Prohibited Acts by distributing in commerce walk-in cooler and walk-in freezer doors that are not in compliance with the applicable energy conservation standards. *See* 42 U.S.C. §§ 6302, 6316; 10 C.F.R. § 429.102(a)(6).
5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, **I HEREBY ASSESS** a civil penalty of \$2,041,829 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.

### III. TERMS OF THE AGREEMENT

1. **Adopting Order.** The parties agree that the provisions of this Compromise Agreement shall be subject to final approval by the General Counsel by incorporation of such provisions by reference in the Adopting Order without change, addition, modification, or deletion.
2. **Obligations of Respondent.**
  - a.
