**Department of Energy  
Administrative Records Schedule 2:  
Payroll and Pay Administration Records  
October 2021  
Revision 4**

Payrolling and pay administration records pertain to the disbursements employees receive in return for their personal services. This schedule covers commonly used pay records.

Title 6, “Pay, Leave, and Allowances” in the GAO Policy and Procedures Manual provides guidance for preparing and maintaining Departmental pay accounts.

Payroll systems use a leave record for submitting data to the payroll system. Information is posted to this leave record from the detailed records kept by the time and attendance clerks. Depending on the type of system, the leave record may be a hard copy input form or alternatively, input to the system may be by electronic means.

Records incidental to the payrolling process include tax withholding; savings plan deduction requests, and savings bond records; and payroll office administration records.
