ORDER GRANTING REQUEST TO AMEND AUTHORIZATION  
TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA TO  
REFLECT CORPORATE NAME CHANGE

DOE/FECM ORDER NO. 4621-A

FEBRUARY 25, 2022

On November 4, 2020, the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) issued DOE/FE Order No. 4621 (Docket No. 20-142-NG), under section 3 of the Natural Gas Act (NGA).<sup>1</sup> That order granted the entity known at the time as Exelon Generation Company, LLC (Exelon Generation Company) authorization to import and export a combined total of 350 billion cubic feet of natural gas from and to Canada by pipeline, for a two-year term that began on February 1, 2021, and extends through January 31, 2023.

On January 19, 2022, DOE was notified that Exelon Generation Company's corporate name would be changed to "Constellation Energy Generation, LLC" (Constellation Energy Generation), effective February 1, 2022. Constellation Energy Generation states that this is only a company name change.<sup>2</sup>

DOE finds that Constellation Energy Generation's request to amend the specified authorization to reflect its corporate name change is consistent with the public interest, pursuant to NGA section 3.

### **ORDER**

Pursuant to section 3 of the Natural Gas Act, it is ordered that:

A. The name of the authorization holder of DOE/FE Order No. 4621 is amended to Constellation Energy Generation, LLC.

---

<sup>1</sup> Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for Fossil Energy in Redesignation Order No. S4-DEL-FE1-2021, issued on March 25, 2021. On July 4, 2021, the Office of Fossil Energy changed its name to the Office of Fossil Energy and Carbon Management.

<sup>2</sup> See E-mail from Buffy Pyle-Liberto, Sr. Analyst, Regulatory and Compliance, Constellation, to DOE (Feb. 10, 2022).

B. All obligations arising under DOE/FE Order No. 4621 no longer apply to Exelon Generation Company, LLC, and now apply to Constellation Energy Generation, LLC.

Issued in Washington, D.C., on February 25, 2022.
