

WOMEN'S HISTORY MONTH

MARCH 2022

A portrait of Dr. Mercedes Taylor, a woman with long dark hair, smiling. She is wearing a dark blue sleeveless top. The background is a dark space-themed graphic with a large blue and purple planet on the left and a starry field on the right. Various scientific icons like a microscope, calculator, and chemical structures are overlaid on the planet.

DR. MERCEDES TAYLOR

ASSOCIATE PROFESSOR • COLLEGE PARK, MD

Dr. Mercedes Taylor, an Associate Professor at the University of Maryland, was a Jill Hruby Fellow in National Security Science and Engineering, Sandia National Labs, 2018-2021. She works on water purification and porous materials.
