To: Office of Natural Gas Regulatory Activities:

Pursuant to Ordering Paragraph H of DOE/FE Order No. 4521, please accept the following semi-annual progress report for Commonwealth LNG, LLC (“Commonwealth”). This report covers the period from October 1, 2021 through March 31, 2022.

- On January 19, 2022, Commonwealth announced that it signed a heads of agreement (“HOA”) with Woodside Energy Trading Singapore Pte Ltd (“Woodside”) for the purchase of 2.0 million metric tonnes per annum (“mtpa”) of liquefied natural gas (“LNG”) from Commonwealth’s proposed export terminal for a period of 20 years, with purchases to begin in the second quarter of 2026. Woodside also would have an option to purchase an additional 0.5 mtpa of LNG under the terms of the HOA.
- On March 31, 2022, FERC issued its Draft Environmental Impact Statement for the Commonwealth project.
