Re: *MPEH LLC*, DOE/FE Docket No. 13-26-LNG  
Semi-Annual Report

Dear Ms. Wood:

Pursuant to Ordering Paragraph I of DOE/FE Order No. 3290, MPEH LLC (“MPEH”) hereby submits its semi-annual report describing the progress of the proposed liquefaction facility.<sup>1</sup> Development activities are continuing, and discussions are continuing with the Maritime Administration regarding an application for authorization to construct the Main Pass Energy Hub™ Deepwater Port. MPEH is exploring commercialization arrangements for the project and expects the first floating liquefaction storage and offloading vessel at the Main Pass Energy Hub™ Deepwater Port to begin exporting LNG during the 2028 timeframe.

Please contact me if you have any questions.

Respectfully submitted,

/s/ John S. Decker
