

Oak Ridge Site Specific Advisory Board Monthly Meeting

Wednesday, June 8, 2022, 6 p.m.

The mission of the Oak Ridge Site Specific Advisory Board (ORSSAB) is to provide informed advice and recommendations concerning site specific issues related to the Department of Energy's (DOE's) Environmental Management (EM) Program at the Oak Ridge Reservation. In order to provide unbiased evaluation and recommendations on the cleanup efforts related to the Oak Ridge site, the Board seeks opportunities for input through collaborative dialogue with the communities surrounding the Oak Ridge Reservation, governmental regulators, and other stakeholders.

Liaisons, Deputy Designated Federal Officer, and Alternates Present

Jim Daffron, Acting Director of Planning and Execution, OREM
Melyssa Noe, ORSSAB Alternate Deputy Designated Federal Officer (DDFO), OREM
Kristof Czartoryski, Tennessee Department of Environment and Conservation (TDEC)
Samantha Urquhart-Foster, U.S. Environmental Protection Agency (EPA)

Others Present

Shelley Kimel, ORSSAB Support Office
Sara McManamy-Johnson, ORSSAB Support Office
Roger Petrie, OREM
Karen Thompson, OREM
Randy Young, TDEC

Three members of the public were present.

Liaison Comments

Ms. Noe – Ms. Noe told members that OREM began the transition to the new cleanup contract with United Cleanup Oak Ridge (UCOR) on February 28, and that contract will focus on cleanup at Oak Ridge National Laboratory (ORNL) and the Y-12 National Security Complex (Y-12) for the next decade. She said OREM and UCOR hosted an event on February 24 that unveiled the closure plan for the East Tennessee Technology Park (ETTP). The event included a panel that discussed the progress of the site and details on the path ahead to complete the mission there. She added that the one-hour event was recorded and that recording would be available to members, and she encouraged members to watch it.

Next, Ms. Noe told members that OREM leadership had been in Phoenix during the week for the 2022 Waste Management Symposia. She added that Oak Ridge was 2022's featured site at the National Cleanup Conference, so a full day of panel discussions featured various elements of the OREM program.

Ms. Samantha Urquhart-Foster – Ms. Urquhart-Foster told members that in December she replaced Connie Jones as the SSAB project manager, and she discussed other personnel changes within the agency.

Mr. Czartoryski – None.

Presentation

Ms. Jones introduced Mr. Jim Daffron, OREM's acting director of planning and execution and presenter for the evening's topic, the ORSSAB Fiscal Year (FY) 2024 Budget Request.

Mr. Daffron gave members an overview of the federal budget process, which he said is a multiple-year process. He said the FY 2023 budget is in the second step in the process, with the U.S. Office of Management and Budget (OMB) consolidating the budgets, and departments are forming their FY 2024 budget requests based on priorities and plans. He said OREM's top priority is to maintain safe and compliant operations, while meeting the regulatory milestones that have been established. He added that OREM's priorities are the same as last year's and have not significantly changed in several years.

Next, Mr. Daffron gave members an overview of DOE's primary mission areas for environmental cleanup nationally and an overview of recent EM budget figures, both nationally and specific to Oak Ridge. He said Oak Ridge's cleanup is funded through multiple accounts and explained how funds appropriated are tied to those specific accounts.

Mr. Daffron then highlighted some of the work completed during 2021, which included continued construction of the Mercury Treatment Facility (MTF) at Y-12 and the submission of the first draft of the Environmental Management Disposal Facility (EMDF) record of decision (ROD). He then went into additional detail about the next stages of planned work for the program. He said MTF work is still underway this year, and the final version of the EMDF ROD will be issued in 2022. After the ROD has been approved, early site work will begin while the design is being finalized. Additionally, he said OREM will continue technology development efforts to better understand the impacts of mercury in the environment.

Mr. Daffron told members that he could not discuss details of the FY 2023 budget because of where it is in the federal budgeting process, but members currently have the opportunity to provide input on the priorities that might influence Oak Ridge's FY 2024 budget formulation.

After the presentation, board members asked the following questions:

- Mr. Malone asked whether the funding figures shown for the EMDF during the presentation is for the new disposal facility planned.
 - Mr. Daffron said it is. He said there is a line item for the construction of a new disposal facility.
- Mr. Malone asked whether the first disposal site is currently full.
 - Mr. Daffron said some space remains at the first disposal site. He added that the site filled at a fast rate during building demolitions at ETTP, but the workforce has now transitioned to Y-12 and ORNL, and that work is largely focused on facility deactivation, which generates smaller volumes of waste. He said that the new landfill is going to become very important when future projects start generating large volumes of debris.
- Mr. Malone asked whether there is a timeline for when EMDF would become available.
 - Mr. Daffron said he did not have that information readily available.
- Ms. McCurdy asked how difficult it is to produce a budget two years in advance when you're still trying to accomplish things under the current budget while not knowing what your intermediate budget will be.
 - Mr. Daffron said it's not necessarily uncommon, and while that uncertainty can make it challenging, OREM has several people with a lot of experience who are looking at various scenarios so they will be prepared to execute on whatever budget scenario is approved.

Board Business/Motions

1. Mr. Shields asked for a motion to approve the meeting agenda.
 - a. **3.9.22.1 Motion to approve the agenda**
Motion made by Ms. Jones and seconded by Mr. Tapp. Motion passed.
2. Mr. Shields referred members to Chairs Recommendation on Outreach, charge one, which members received in their information packets. He reminded them that this had been a topic of conversation for several months and this vote would be to either approve or not approve without editing the content of the recommendation.

Mr. Shields asked for a motion to approve the Chairs Recommendation on Outreach.

 - a. **3.9.22.2 Motion to approve the Chairs Recommendation on Outreach**
Motion made by Ms. Jones and seconded by Mr. Tapp. Motion passed.
3. Mr. Shields asked for a motion to approve the Chairs Recommendation on the DOE 10-Year Plan.
 - a. **3.9.22.3 Motion to approve the Chairs Recommendation on the DOE 10-Year Plan**
Motion made by Ms. Jones and seconded by Mr. Tapp. Motion passed

4. Mr. Shields asked for a motion to approve the February 9, 2022 Meeting Minutes.

a. 3.9.22.4 Motion to approve February 9, 2022 Meeting Minutes

Motion made by Ms. Lohmann and seconded by Ms. Jones. Motion passed.

Responses to Recommendations & Alternate DDFO Report

Ms. Noe told members there were no recommendations awaiting DOE response. She then told members it was still undecided whether the May meeting would be held in person or virtually, but she hoped to be able to give members a month's notice.

Committee Reports

Executive – Mr. Shields discussed the importance of generating interest in participating in ORSSAB and continuing to share Oak Ridge's successes and legacy.

EM & Stewardship – Mr. Tapp told members that all the current executives, with the exception of Ms. Jones, are in their final terms on the board, and he encouraged members to consider leadership positions on the board and EM and Stewardship Committee. He said serving as Vice Chair on the EM and Stewardship Committee is a great way to start learning for leadership on the board.

Oak Ridge Site Specific Advisory Board Recommendation ###: On the FY 2024 Oak Ridge Environmental Management Program Budget Priorities

Background

Each year the U.S. Department of Energy (DOE) Environmental Management (EM) Program develops its budget request for the fiscal year (FY) two years beyond the current year, including requests from DOE field offices to develop the EM Program budget request to the president.

DOE-EM Headquarters typically issues guidelines to the field offices advising them how much funding they should reasonably expect when developing their FY+2 budget requests. The field offices then brief the public, the regulatory agencies, and the respective site-specific advisory boards and seek input from each regarding budget requests.

On March 9, 2022, the Oak Ridge Environmental Management (OREM) program presented on its FY 2024 budget formulation process to the Oak Ridge Site Specific Advisory Board (ORSSAB). This presentation provided content and discussions that ORSSAB used to draft its recommendations.

Discussion

In creating its recommendations for the FY 2024 OREM budget, ORSSAB focused on general near-term and long-term cleanup priorities identified by OREM:

- Closure of East Tennessee Technology Park (ETTP)
 - Complete remediation of slabs and soils and other activities required to close ETTP and transfer long-term stewardship to Legacy Management
- Demolish excess contaminated facilities at Oak Ridge National Laboratory (ORNL) and Y-12 National Security Complex (Y-12)
 - Continue pre-demolition, deactivation, and remediation activities
- Progress infrastructure to enable cleanup
 - Mercury Treatment Facility
 - New CERCLA waste disposal facility (EMDF)
 - Continue mercury technology development
- Disposition ORNL uranium-233 inventory
 - Complete uranium-233 direct disposition campaign
 - Conduct down-blending operations and dispose of remaining uranium-233 inventory
- Disposition ORNL transuranic waste inventory
 - Complete disposition of transuranic debris waste
 - Complete construction of the Sludge Processing Facility
- Maintain and operate facilities at ORNL and Y-12
 - Continued safe operation of waste disposal and treatment facilities
 - Continue activities to extend life of aging facilities.

Project-specific objectives provided additional details for discussions that took place at the March 23, 2022, EM & Stewardship Committee meeting. The board referred to the [OREM 10-year Program Plan](#), the [EM Strategic Vision: 2022–2032](#), the current [EM Budget Request](#), and the board’s [previous Recommendations](#) for additional guidance on budget recommendations.¹

Recommendations

ORSSAB supports OREM’s Program Plan and recommends fully funding the activities that are currently supported by that Plan for FY 2024. In addition, ORSSAB has identified the following priorities for Oak Ridge Reservation cleanup.

The board recommends that the FY 2024 OREM budget request reflect adequate funding to maintain or accelerate these projects. In addition, when extra funds from suitable plus-ups and savings become available, we recommend that these funds be targeted for the following projects, in no particular order of priority:

- The expansion of ORNL’s Aquatic Ecology Laboratory provides a vital resource to the EM complex. Future requests should continue funding support for research into mercury and methyl-mercury pollution and prioritize designing and testing new and improved remediation technologies.
- Provide adequate funding to construct and operate the urgently needed new onsite disposition facility to allow uninterrupted cleanup progress at Oak Ridge National Laboratory (ORNL) and Y-12 National Security Complex (Y-12).
- Increase funding where possible to ensure the Mercury Treatment Facility meets the operational date of 2025 as presented to the community and ORSSAB. In addition, consider using plus-ups or surplus funds to upgrade equipment and technology that may have improved since the original schedule was developed.
- Provide adequate funds to maintain or upgrade infrastructure
- Complete transfer of all applicable land parcels at ETPP for productive purposes. Continue working with community partners to fully realize the economic development potential of reindustrialization after transfer.

I. MISSION

The mission of the Oak Ridge Site Specific Advisory Board (ORSSAB) is to provide informed advice and recommendations concerning site specific issues related to the Department of Energy's (DOE's) Environmental Management (EM) Program at the Oak Ridge Reservation. In order to provide unbiased evaluation and recommendations on the cleanup efforts related to the Oak Ridge site, the ORSSAB seeks opportunities for input through collaborative dialogue with the communities surrounding the Oak Ridge Reservation, governmental regulators, and other stakeholders.

The EM Site Specific Advisory Board is chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. 2. The ORSSAB is one of eight local boards that make up the EM SSAB. ORSSAB is thereby subject to the requirements of the EM Site Specific Advisory Board Charter, FACA and its implementing regulations (Title 41 C.F.R. Part 102-36).

II. FUNCTIONS, SCOPE, AND ACCOUNTABILITY

At the specific request of EM, the Board will provide independent advice and recommendations to the Assistant Secretary for EM, the Manager for the Oak Ridge Office of Environmental Management, or the appropriate DOE EM official.

- A. Functions:** The Board will provide advice and recommendations in response to charges issued by EM or the Site Manager.
- B. Scope:** The scope of the advice and recommendations of the Board includes:
 - 1. Clean-up activities and environmental restoration; waste and nuclear materials management and disposition; excess facilities; future land use and long-term stewardship.
 - 2. The Board may also be asked to provide advice and recommendations on any EM program components, such as risk assessments, communications, and funding priorities.
- C. Accountability:** The Board interacts with the appropriate EM decision makers to provide advice on matters within its scope, on behalf of the citizens of Oak Ridge and the surrounding communities.
 - 1. The Board seeks a free and open two-way exchange of information and views between Board members and EM, where all are invited to speak and to listen.
 - 2. Board members may request access to independent technical advice, staff, and training.
 - 3. The Board will develop specific operating procedures and undergo requisite training to ensure that all members will hear a wide range of views and use constructive methods for resolving conflict, making decisions, and dealing with the differing viewpoints.
 - 4. The Board will always remain accountable to the public and EM, and seek to promote multicultural community involvement. The Board is committed to ensuring a diverse Board membership and a balance of representative viewpoints.
 - 5. In compliance with the Federal Advisory Committee Act, Board meetings will be open to the public, and the Board will give advance notice of a minimum of 15 days. Board

meetings will be held at regular times in public locations to encourage maximum public and Board participation.

6. Board membership shall reflect a full diversity of viewpoints in the affected community and region, and will be composed of people who are directly affected by EM site clean-up activities.
7. The Board members will send all requests to the EM Deputy Designated Federal Officer (DDFO) to ensure a prompt response. The DDFO is responsible for tracking DOE responses to requests from the Board and ensuring the completeness of those responses.
8. The Board shall develop and publish an Oak Ridge-specific annual report of its activities for stakeholders.
9. Board members should collaborate with DOE and seek stakeholder input to develop a general work plan each year based on the Board's charge to guide the Board and its subcommittees' activities. All work plan items shall be approved by DOE headquarters prior to implementation.
10. The Board will also maintain a repository of the Oak Ridge Board documents and will comply with all FACA recordkeeping requirements.

III. MEMBERSHIP

- A. Authority:** Pursuant to delegated authority, the Assistant Secretary for EM is authorized to appoint and remove EM SSAB members.
- B. Terms of Office:** The Board shall consist of not more than 22 voting members. Two non-voting student representatives identified each year by area high schools may participate in Board activities for one year but cannot count toward the quorum. The Board membership is on a rotation schedule that will encourage new individuals to participate and will maintain a balance between continuity and diversity inherent in the makeup of the Board.
 1. Terms of office will be two years.
 2. Members may serve three terms for a total of six years.
 3. If after significant recruitment efforts, it is found that the member pool is limited, a request for an exception from term limits may be made by the affected Field Manager to the Assistant Secretary in accordance with the EM SSAB Charter.
- C. Vacancies:** Membership packages requesting appointments for new two-year member terms are completed on a scheduled basis, typically one per year. When a vacancy exists due to resignation or removal of a Board member mid-appointment, the vacancy may be filled by site appointment for the remainder of the unexpired term in accordance with the DOE EM Site Specific Advisory Board Membership Balance Plan.

IV. MEMBERSHIP RESPONSIBILITIES

- A. Member Commitments:** Board members make the following commitments:
 1. To attend regular meetings and receive training;

2. To review and comment on EM and other documents within their purview that come before the Board, and submit timely recommendations to EM;
3. To be available for subcommittee work between Board meetings, and to participate fully in the affairs of the Board;
4. To work collaboratively and respectfully with other Board members and liaisons in the best interests of both the Board and the public;
5. To represent accurately all matters before the Board;
6. To handle in a responsible manner information and materials provided by the agencies, particularly drafts developed for an agency's in-house use, that might have significant future revisions as part of the agency's working practices;
7. To share any written communication about or for Board activities with the Board as a whole and with the DDFO;
8. To act for the Board or as its representative only with the majority vote of the Board;
9. To serve on at least one subcommittee during any given twelve-month period as appointed by the Chair; and
10. To abide by the terms and conditions of the EM SSAB Charter, these bylaws and all applicable laws or other DOE policies or requirements.

B. Liaison Commitments: The Board requests that liaisons make the following commitments:

1. To provide timely access to information pertinent to EM and associated environmental issues and related decision making;
2. To inform the Board in a timely and proactive manner of agency processes, programs, projects, and activities pertinent to the Board's mission and purpose.

V. BOARD STRUCTURE

A. Chair, Vice Chair, and Secretary: The Board will elect by majority vote, a Chair, Vice Chair, and Secretary, who will ensure that a diversity of viewpoints are considered in all Board discussions. It is preferred that candidates for the office of Chair have previous experience on the Executive Subcommittee to better facilitate the function of said subcommittee. The Chair will support the Board in a balanced and unbiased manner, irrespective of any personal views on a particular issue and see that all Board members have the opportunity to express their views.

1. The election for Chair, Vice Chair, and Secretary will ideally be held before the first meeting of the fiscal year but may be held as the first item of board business at the first meeting of the fiscal year. The terms of the Chair, Vice Chair, and Secretary will be one fiscal year.
2. The Chair will serve as liaison with the Federal Coordinator, support staff, and facilitator(s), assisting in the preparation of the agendas, minutes of the meetings, and other necessary arrangements.
3. The Chair certifies to the accuracy of all minutes.

4. The Chair signs the certification of a recommendation that the Board has passed by consensus/majority. If consensus/majority is not reached, the Chair may refer the matter back to the applicable subcommittee, as applicable, or sign and send to DOE the majority and minority reports.
 5. The Chair assures necessary administrative support for any subcommittees and requests DOE support through the DDFO.
 6. The Chair shall recommend appointment of members of subcommittees to the DDFO and ensure that the membership of any subcommittees reflects the diversity of the Board to the extent practicable.
 7. The Chair serves between regular meetings of the Board as contact for EM, interest groups, and the public.
 8. The Vice Chair serves as Chair in the absence or incapacity of the Chair.
 9. The Secretary shall:
 - a. Assume the duties of the Vice Chair in his/her absence;
 - b. Work with administrative staff to give due notice to DOE, Board members, and the public of all Board and subcommittee meetings;
 - c. Keep full and accurate records of the proceedings of the Board and subcommittee meetings (including attendance), with assistance from administrative staff;
 - d. Notify the Executive Subcommittee of any member with two consecutive absences from regularly scheduled Board meetings;
 - e. Review minutes of Board meetings with the administrative staff for timely distribution to Board members; and
 - f. Work with the DOE Federal Coordinator, administrative staff, and any designated subcommittee to review an annual report and an annual work plan. The Board year begins October 1.
 - g. Prior to any vote, provide a status of members present to verify whether a sufficient quorum exists for recommendations.
 10. The Chair, Vice Chair, and Secretary will have other duties as assigned by the Board.
 11. In the absence of the Chair, Vice Chair, and Secretary, the immediate past Chair, if that person still serves on the Board, shall serve as Chair of the Board meeting. In the absence of the immediate past Chair, the immediate past Vice Chair, if that person still serves on the Board, shall serve as Chair of the Board meeting. If none of these persons is present, those Board members present shall select, with the approval of the DDFO, a Chair for the meeting.
 12. No officer of the Board shall serve more than two consecutive years in the same office.
- B. Subcommittees:** Subcommittees may be formed with the approval of the DFO or DDFO. The Board will establish any needed subcommittees prior to the beginning of each fiscal year to reflect the Board's approved work plan for that year. The Board may establish ad hoc committees as it deems necessary.

C. Structures of Subcommittees and/or Ad-hoc Committees:

1. Membership on subcommittees will be on a volunteer basis, and Board members must serve on at least one subcommittee.
2. Members may develop additional operating procedures consistent with the bylaws.
3. Subcommittees may not directly submit recommendations to EM. They are solely responsible for producing draft proposals or information for the full Board. Before presenting a recommendation to the Board, the subcommittee should have passed the recommendation by majority vote of the members attending the meeting.
4. The subcommittees will meet independently of the Board. If the meetings of the subcommittee are open to the public, they must hold them in public locations after appropriate notice.
5. If a written summary of the subcommittee meetings is prepared, the Chair of the subcommittee will provide it to the Board.
6. Election of the Chair for any subcommittees will occur annually, or as necessitated by vacancies. Standing subcommittees may, at their discretion, internally select, elect, appoint, or remove subcommittee Co-Chair or Vice Chair (either title bearing the same intended meaning), from among only the properly appointed Board members of the subcommittee. Co-Chairs or Vice Chairs shall serve and act in the temporary absence of the duly elected subcommittee chairperson.
7. Subcommittee Chairs shall notify the Board Chair and the DDFO of the selection, election, appointment, or removal of any standing subcommittee Co-Chair or Vice Chair.
8. Except for the Nominating and Executive subcommittees, non-Board members shall be allowed to vote in subcommittee meetings but shall not hold leadership positions.
9. Subcommittees shall be established by the Board, following approval by the DFO or DDFO, for the purpose of investigating special topics. The charge to, Board membership of, and Chair of the subcommittees shall be established by the Board and approved by the DDFO.
10. Subcommittees shall be confirmed by the Chair, upon recommendation of the Chair of the respective subcommittee. Members of the public may be allowed to participate on a non-voting basis for any subcommittee except for the Executive and the Nominating subcommittees. The DDFO shall concur in all recommendations for participation by non-Board members.

D. Executive Subcommittee: The Board has an Executive Subcommittee consisting of the Chair, Vice Chair, Secretary, and Chairs, Co-Chairs, or Vice Chairs of any standing subcommittees established during the fiscal year. It shall meet at least bimonthly and may hold other meetings at the call of the Board Chair to consider matters of importance that may require immediate resolution. The DDFO or the DDFO-designated Federal Coordinator shall serve as a non-voting member of the Executive Subcommittee.

1. During the intervals between Board meetings, decisions involving the daily business operations of the Board (e.g., setting budgets and agendas, coordinating subcommittee requirements and activities, etc.) shall be made by majority vote of the Executive

Subcommittee. However, this committee shall have no authority to set Board policy or make any recommendations to EM.

2. Actions on routine general administrative matters requiring time-critical action by the Executive Subcommittee may be handled by polling members of the Executive Subcommittee through any quick means of communication. Decisions will be validated by the Board Chair and documented in the minutes of the next regularly scheduled Board meeting.
3. The Executive Subcommittee shall have no authority to act for the Board on any motion or recommendation that affects a decision made by the full Board. Any motion or recommendation affecting a decision of the Board shall be submitted by the Executive Subcommittee to the Board for consideration at the next regularly scheduled Board meeting.

E. Work Sessions: Work sessions are defined as meetings that include at least two members of the Board, at which official action is not being taken.

F. Closed Session: Should the Board seek to close a meeting, it shall do so in compliance with 41 CFR 102-3.155 and any applicable DOE procedures.

G. Removal of Officers: An officer of the Board (Chair, Vice Chair, Secretary, or standing subcommittee Chair, Vice Chair, or Co-Chair), may be removed from their office for misconduct or neglect of duty by a vote of the Board upon the recommendation of the Executive Subcommittee, the recommendation of the DDFO, or a duly authorized motion tendered by a Board member at a regularly scheduled Board meeting.

H. Replacement of Officers:

1. A Board office vacancy (Chair, Vice Chair, or Secretary) that comes into existence will be announced at a regularly scheduled Board meeting.
2. An election by the entire Board will be held at the next regularly scheduled Board meeting after the meeting at which the vacancy was announced. In the event of a removed, resigned, or abandoned vacancy in the Chair, Vice Chair, or Secretary, the term of office of any interim replacement election for the Chair, Vice Chair, or Secretary shall expire on September 30th and the regularly scheduled annual election shall be held as provided in Article V, Section A, Number 1.
3. If both the Chair and Vice Chair become vacant at or near the same time, then the Board shall, at the meeting at which the vacancy is announced, elect by majority vote a Chair and Vice Chair to serve the Board until, and at, the next regularly scheduled Board meeting. To prevent delay in Board work, and in the absence of a timely interim election, the Executive Subcommittee shall appoint, subject to DDFO approval, an Acting Chair and Vice Chair (if needed or desired), from among the voting members of the Executive Subcommittee, to serve the Board until the next regularly scheduled Board meeting.

VI. DECISION MAKING

All Board decisions relating to recommendations and advice to DOE shall be reached through parliamentary procedure. The Board shall strive for substantial agreement among Board members for approval of recommendations and advice to DOE.

- A. Quorum for Meetings:** For the purpose of conducting business, a quorum shall be a majority (i.e. one more than one half) of the authorized membership of the Board, excluding liaison members.
- B. Approval of Recommendations:** Recommendations shall be approved by majority vote of the appointed Board membership.
- C. Proxy Voting:** Voting by proxy on any Board or subcommittee action is prohibited.
- D. Bylaws Amendments:** These Bylaws may be amended at any regular meeting of the Board by a majority vote of the entire Board membership, provided that the proposed amendment was submitted in writing and read at a previous regular business meeting. (Also see Section XII.)
- E. Removal of Officers:** An officer of the Board may be deposed from office for misconduct or neglect of duty in office by a two-thirds vote of the Board.
- F. Requirements for Recommendations to EM:**
 - 1. Standing subcommittees, the Executive Subcommittee, or individual members may propose recommendations to the Board.
 - 2. Proposed recommendations must be in writing.
 - 3. Proposed recommendations will be included in Board packets or be made available to members prior to the Board meeting, along with supporting background documentation.
 - 4. Proposed recommendations will be discussed at Board meetings and will be approved, rejected, or returned to subcommittees for further work (e.g., editing, refinement, and incorporation of public and/or members' comments).
 - 5. Proposed recommendations will be introduced as motions for Board approval.
 - 6. When an issue comes before the Board, the Chair may refer the issue to the appropriate standing subcommittee or create a subcommittee for that issue. The subcommittee will report progress to the Board at the next meeting.
 - 7. Board members who disagree with an approved recommendation should document it in writing.
 - 8. When it appears that the Board has reached agreement on a particular recommendation, the Chair may call for a vote.
 - 9. Recommendations dealing with complicated and/or controversial issues may require more than one draft and may take multiple meetings to evolve into a form that is acceptable by a majority of the Board.

G. Administrative Decision Making:

1. Administrative functions of the Board may be delegated to the Chair who may assign actions to the Federal Coordinator and/or his/her staff.
2. If the Board finds need to review or affirm specific decisions made under the authority delegated to the Chair, such affirmation will be expressed by a majority vote of the Board at the next meeting.

H. Procedures and Parliamentary Law: The current edition of “Robert’s Rules of Order” shall apply on all questions of procedures and parliamentary law not specified in these bylaws.

VII. ROLE OF THE FACILITATOR

A professional facilitator may be hired to help the Board organize its work, prepare an agenda based on consultations with the Board and the Chair, facilitate the Board meetings, and work with the staff to prepare the minutes of the meetings.

VIII. CONDUCT AND FORMAT OF MEETINGS

A. Meeting Format:

1. Public notices will be printed in the Federal Register at least fifteen (15) days before the meeting. Additional announcements may be made via other outlets, such as on the radio and in local newspapers.
2. The Board will meet as needed, with the length of meetings determined by the agenda.
3. The Board will submit its agenda for the approval of the DDFO. In preparing the agenda, the Board reviews its work plan and, if appropriate, obtains additional input from its members and subcommittees and the public.
4. Meetings will be open to the public; a section of the meeting room will be set aside for observers; and public comment is invited at appropriate times during a meeting.
 - a. At least 15 minutes will be included in the agenda for public comment, unless questions are taken throughout the meeting. A non-recused Board member may not address the Board during the time set aside for public comment. The public comment period may be extended by the Chair or by consensus of the Board members in attendance.
 - b. If required, at the discretion of the Chair, the fixed time will be divided equally among the members of the public who request to speak.
 - c. In addition to formal public comment and before a decision on a recommendation is made, the Chair may invite members of the public to offer their input. The Board will determine in advance how much time they will allocate for this additional public input.
 - d. Members of the public may offer their comments in writing and give them to the DDFO to be read into the meeting record.
 - e. Time will be set aside for Board member comments during each meeting.

5. Any meeting will be set up in terms of both the physical arrangements and the agenda to facilitate hearing and discussion.
6. Minutes of the meetings will be kept by an individual designated by the Chair, distributed to the Board members for their review and made available to the public. Each meeting agenda will include the opportunity for members to make revisions to the minutes of the previous meetings.

The Chair or Vice Chair must approve the minutes within 90 calendar days of the meeting to which they relate. In the absence of the Chair or Vice Chair the DDFO must make such certification.

7. Any product of the Board, such as policies, positions, reports, advice or recommendations given to DOE, must be reviewed by the Board in final distribution form before distribution and being placed in the DOE public reading rooms and any other places deemed appropriate.

B. Conduct of Meetings:

1. The Board may utilize a neutral third-party facilitator to assist it in accomplishing its mission. In all instances the facilitator will operate in a completely neutral, balanced, and fair manner.
2. Board members will show respect to each other, EM, liaisons, and the public.

IX. BUDGET

1. **Authority.** DOE EM retains the fiscal responsibility for the Board. If requested by the DDFO, the Board can provide input regarding funding for the Board.
2. **Compensation:** Board members will serve without compensation but may receive reimbursement for direct expenses related to the work of the Board and meeting attendance.
3. **Travel Expenses:** Board and subcommittee members are required to follow applicable federal travel regulations. All travel expenses must be submitted to the Federal Coordinator for reimbursement according to Federal guidelines. Trip reports by Board members must be prepared within 30 days and submitted to the support staff for inclusion in the Board's records.

X. CONFLICT OF INTEREST

Definition: Board members appointed as special Government employees (SGEs) are subject to the Federal statutes and regulations regarding conflicts of interest, including not participating personally and substantially, in any particular matter, before the Board, in which, a financial interest is held by the member, or the member's spouse, minor child, general partner, or organization in which the member is serving as officer, director, trustee, general partner, or employee, or any person or organization with whom the member is negotiating or has any arrangement concerning prospective employment. Board members appointed as representative members, as a matter of DOE policy, should agree to be recused from participating in any

meeting, study, recommendation, or other Board matter or activity that would have a direct and predictable effect on the companies, organizations, agencies, or other entities with whom the representative member, or the representative's family member, are personally associated, or in which a financial interest is held.

- A. Enforcement of Conflict of Interest Policy:** Questions concerning conflict of interest shall be referred to the DDFO and/or the Federal Coordinator, who will seek the advice of DOE's Office of General Counsel for resolution.
- B. Recusal:** If a Board member is aware of a conflict of interest, as defined above, the member shall immediately inform the DDFO and the Board of the interest and shall refrain from participating in discussions and recommendations in which a conflict or potential for conflict of interest exists.
- C. Principles of Conduct:** Board members shall abide by the following conflict of interest principles:
 - 1. Members shall refrain from any use of their membership, which is or gives the appearance of being motivated, by the desire for private gain.
 - 2. Members shall not use, either directly or indirectly for private gain, any inside information obtained as a result of Board or subcommittee service.
 - 3. Members shall not use their positions in any way to coerce, or give the appearance of coercing, another person to provide a financial benefit to the member or any person with whom the member has family, business, or financial ties.
 - 4. Members who are appointed as SGEs must follow the prohibitions on accepting gifts contained in 5 CFR 2635.201 et seq. and should seek the advice of the Office of General Counsel, as applicable.

XI. AMENDING THE BYLAWS

- A. Policy:** The Board shall have the power to alter, amend, and repeal these bylaws in ways consistent with the Charter of the EM Site Specific Advisory Board, and any other applicable laws, regulations, and guidelines. Any member of the public, the Board, or one of the Agencies may propose an amendment. However, to be considered by this Board the proposed amendment must be sponsored by a Board member. The bylaws may be amended at any regular meeting of the Board by a majority vote of the entire Board membership, provided that the proposed amendment was submitted in writing and read at a previous regular business meeting.
- B. Approval:** All amendments to these bylaws must be approved by the Designated Federal Officer in consultation with the Office of General Counsel.

XII. ADOPTION OF THE BYLAWS

- A.** These bylaws will be effective:
 - 1. Upon the affirmative vote of the Board membership,
 - 2. Execution by the Chair,

3. Review and approval by the DOE Office of the General Counsel, and
 4. Approval of the EM SSAB Designated Federal Officer.
- B.** All previous bylaws or procedures are hereby rescinded.

XIII. SEVERABILITY OF THE BYLAWS

In the event that any provision of these bylaws is invalid, such invalidity shall not affect the remaining provisions that shall continue in full force and effect to the extent practicable.

APPROVED: November 14, 2007

REVISED: April 10, 2019

REVISED: June 9, 2021

REVISED: May 13, 2022
