Good afternoon Peri,

I would like to thank you all for taking the time to meet with me and discuss the request.

Please could the application for an extension request be placed in abeyance for the time being so that we may define the project's scope and description with more certainty. Once we have certainty on any alterations or revisions to the Goldboro LNG project we shall revert to you.

It was a pleasure to meet you all and your time was greatly appreciated.

Kind regards,
Justine
