FE Docket No. 16-28-LNG

PRIVILEGED AND CONFIDENTIAL Submission of Contract and Summary of Major Provisions of Contract for Public Posting

Dear Ms. Sweeney:

Venture Global Plaquemines LNG, LLC ("Plaquemines LNG") was granted long-term, multi-contract authority to export liquefied natural gas ("LNG") to (1) nations with which the United States has not entered into a Free Trade Agreement ("FTA") requiring the national treatment of natural gas in Order No. 4446 in FE Docket No. 16-28-LNG on October 16, 2019 and (2) FTA nations in Order No. 3866 issued in that same docket on July 21, 2016. Ordering Paragraph (I) of Order No. 4446 and Ordering Paragraph (D) of Order No. 3866 require Plaquemines LNG to file a non-redacted copy of all executed long-term contracts associated with the long-term export of LNG from its Project within thirty days of contract execution. If a contract is filed under seal and subject to a claim of confidentiality or privilege, the Orders require Plaquemines LNG to file for public posting a summary of the non-proprietary, major provisions of the contract.

Plaquemines LNG has entered into a LNG Sales and Purchase Agreement ("SPA") by and between Plaquemines LNG and Chevron U.S.A. Inc., dated as of June 15, 2022. The contract is highly confidential and contains commercially valuable and proprietary information the disclosure of which would cause competitive and financial harm to the parties to the contract. In accordance with the requirements in its export authorizations, Plaquemines LNG hereby submits the attached summary, for public posting, of the major, non-proprietary provisions of the contract. The summary utilizes the template followed previously by Plaquemines LNG regarding other long-term contracts, as well as by other LNG export projects when filing such contracts.

LATHAM & WATKINS LLP

In addition, Plaquemines LNG is contemporaneously transmitting a full and unredacted copy of the contract itself in a separate, confidential communication directed solely to the addressee. Plaquemines LNG respectfully requests that the contract be treated and maintained as confidential to the greatest extent permitted by law.

If you have any questions about the filed SPA, or related matters, please contact the undersigned counsel for Plaquemines LNG.

Sincerely,

/s/ J. Patrick Nevins
