CONCORD ENERGY LLC

DOCKET NO. 22-64-NG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA AND MEXICO

DOE/FECM ORDER NO. 4853

AUGUST 4, 2022

I. DESCRIPTION OF REQUEST

On June 30, 2022, Concord Energy LLC (Concord Energy) filed an application with the Office of Fossil Energy and Carbon Management (FECM) of the Department of Energy (DOE) requesting blanket authorization under section 3 of the Natural Gas Act (NGA)¹ for the authority summarized in the list below. The applicant requests the authorization for a two-year term beginning on September 1, 2022.² Concord Energy is a Colorado limited liability company with its principal place of business in Denver, Colorado.

1. Import natural gas from Canada by pipeline at any point on the border between the United States and Canada
2. Import natural gas from Mexico by pipeline at any point on the border between the United States and Mexico
3. Export natural gas to Canada by pipeline at any point on the border between the United States and Canada
4. Export natural gas to Mexico by pipeline at any point on the border between the United States and Mexico

Import and export authority was requested for up to a combined total volume equivalent to 20 billion cubic feet (Bcf) of natural gas.

1. Authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for Fossil Energy and Carbon Management in Redelegation Order No. S4-DEL-FE1-2022, issued on June 13, 2022. On July 4, 2021, the Office of Fossil Energy changed its name to the Office of Fossil Energy and Carbon Management.

2. Concord Energy's blanket authorization, granted in DOE/FE Order No. 4559, extends through August 31, 2022.

II. **FINDING**

DOE has evaluated the application to determine if the proposed import and/or export arrangements meet the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under NGA section 3(c), imports and exports of natural gas, including liquefied natural gas (LNG), from or to any country with which the United States has entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public interest.³ DOE must grant such applications without modification or delay.⁴ The authorization sought by Concord Energy meets the NGA section 3(c) criteria, and, therefore, is deemed to be consistent with the public interest.

ORDER

Pursuant to section 3(c) of the NGA, it is ordered that:

A. Concord Energy is authorized for the activity described in the list below. This authorization shall be effective for a two-year term beginning on September 1, 2022, and extending through August 31, 2024.

1. Import natural gas from Canada by pipeline at any point on the border between the United States and Canada
2. Import natural gas from Mexico by pipeline at any point on the border between the United States and Mexico
3. Export natural gas to Canada by pipeline at any point on the border between the United States and Canada
4. Export natural gas to Mexico by pipeline at any point on the border between the United States and Mexico

The applicant is authorized to import and export up to a combined total volume equivalent to 20 Bcf of natural gas.

3. 15 U.S.C. § 717b(c).

4. *Id.*

B. **Monthly Reports:** With respect to the imports and/or exports authorized by this Order, Concord Energy shall file with the Office of Regulation, Analysis, and Engagement, within 30 days following the last day of each calendar month, a report on Form FE-746R indicating whether imports and/or exports have been made. Monthly reports must be filed whether or not initial deliveries have begun. If no imports and/or exports have been made, a report of "no activity" for that month must be filed. If imports and/or exports have occurred, the report must provide the information specified for each applicable activity and mode of transportation, as set forth in the Guidelines for Filing Monthly Reports. These Guidelines are available at: <https://www.energy.gov/fe/services/natural-gas-regulation/guidelines-filing-monthly-reports>.

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)

C. The first monthly report required by this Order is due not later than October 30, 2022, and should cover the reporting period from September 1, 2022 through September 30, 2022.

Issued in Washington, D.C., on August 4, 2022.
