Office of Indian Energy Policy and Programs

U.S. Department of Energy to Announce Funding Opportunity to Power Unelectrified Tribal Buildings

MAY 31, 2022

Today, the U.S. Department of Energy (DOE) Office of Indian Energy Policy and Programs (Office of Indian Energy) issued a Notice of Intent (NOI) to release a \$15 million Funding Opportunity Announcement (FOA) this summer to support powering unelectrified tribal buildings.

Through this planned FOA, the Office of Indian Energy intends to solicit applications from federally recognized Indian tribes including Alaska Native Regional Corporations and Village Corporations, Intertribal Organizations, and Tribal Energy Development Organizations, to deploy energy infrastructure or integrated energy system(s) to provide electricity to Tribal buildings.
