Attention: Venture Global Plaquemines LNG, LLC
FE Docket No. 16-28-LNG
PRIVILEGED AND CONFIDENTIAL Submission of Contract
and Summary of Major Provisions of Contract for Public Posting

Dear Ms. Sweeney:

Venture Global Plaquemines LNG, LLC (“Plaquemines LNG”) was granted long-term, multi-contract authority to export liquefied natural gas (LNG) to nations with whom the United States has entered into a Free Trade Agreement requiring the national treatment of natural gas (FTA nations) in Order No. 3866 issued in FE Docket No. 16-28-LNG on July 21, 2016 and to non-FTA nations in Order No. 4446 in that same docket on October 16, 2019. Ordering Paragraph (D) of Order No. 3866 and Ordering Paragraph (I) of Order No. 4446 each require Plaquemines LNG to file a non-redacted copy of all executed long-term contracts associated with the long-term export of LNG from its Project within thirty days of contract execution. If a contract is filed under seal and subject to a claim of confidentiality or privilege, the Orders also require Plaquemines LNG to file for public posting a summary of the non-proprietary, major provisions of the contract.

In accordance with this requirement of its export authorizations, Plaquemines LNG hereby submits, under seal on a confidential basis, a full and unredacted copy of the LNG Sales and Purchase Agreement (FOB) by and between Plaquemines LNG and Électricité de France, S.A. (EDF), dated as of February 24, 2020. This contract is highly confidential and contains commercially valuable and proprietary information, the disclosure of which would cause competitive and financial harm to the parties to the contract. Accordingly, Plaquemines LNG

LATHAM & WATKINS^{LLP}

respectfully requests that the contract be treated and maintained as confidential to the greatest extent permitted by law.

Plaquemines LNG also includes with this filing a summary, for public posting, of the major non-proprietary provisions of the contract. The summary utilizes the template followed by Plaquemines LNG for its previously filed contracts, as well as by several other LNG projects when complying with the same contract filing requirement.

If you have any questions about the filed contract, the summary of its major non-proprietary provisions, or related matters, please contact the undersigned counsel for Plaquemines LNG.

Sincerely,

/s/ J. Patrick Nevins
