ADDITIONAL INFORMATION

This information will assist DOE in determining: 1) cognizance; 2) whether the Recipient has adequate internal financial and management controls; and 3) whether the Recipient has an adequate accounting system. Generally, cognizance means that an organization has a Federal oversight agency (cognizant agency). Cognizance of an organization is used for many purposes including: determining which agency is responsible for verifying correct allocation of indirect rates to incurred costs; issuing the Provisional and Final Indirect Rate Agreements; and ordering audits. Adequate internal controls and accounting systems are essential to ensure that the Recipient's costs are correctly estimated, recorded, and billed. The Recipient has the responsibility to ensure that these systems are in place. The cognizant Agency has the responsibility for verifying these systems through audits or other methods.

For additional information, please visit <https://www.dcaa.mil>. Please refer specifically to the "[Pre-award Accounting System Adequacy Checklist](#)" under CUSTOMERS-->Checklists and Tools.

Cognizance is determined by TOTAL Federal award/contract dollars received by the Recipient/Contractor from all Federal agencies. This information is used to determine which Federal agency has the largest preponderance of funding and is cognizant. Once a Federal agency assumes cognizance for a contractor, it should remain cognizant for at least 5 years to ensure continuity and ease of administration.

Cognizance related duties are the responsibility of the Cognizant Federal Agency (CFA). The CFA is the Federal agency (e.g., Department of Defense, Department of Energy, Navy, etc.) that provided the preponderance (largest amount) of funding for your awards, across all federal agencies. It is very important to confirm that you work with the correct office.

General Rule of Thumb: Department of Health & Human Services (DHHS) is usually the CFA for Universities, Cities, States, and Counties. DHHS cognizance is not usually transferred.

If it is determined that the Department of Energy/Golden Field Office (GO) is the Cognizant Federal Office, the Recipient will have the following ANNUAL responsibilities:

1. Submit a Certified Annual Incurred Cost Claim (ICE Model – see #3 below) to the GO Cost/Price mailbox (CostPrice@ee.doe.gov). **This should represent the total organization's costs (representing the Company General Ledger), not just the Recipient's DOE award(s).**
2. Due Date: 180 days after the Recipient's fiscal year end.
3. For an example of the ICE Model, please visit <https://www.dcaa.mil>. Under "CUSTOMERS->Checklists and Tools", click on ICE (Incurred Cost Electronically) Model and download the ICE model.

Once the information is received, GO will have the responsibility of providing your organization with an annual indirect rate agreement. This indirect rate must be used on all Federal grants and contracts.

If it is determined that GO is not the Cognizant Federal Office, the Recipient should contact the Cognizant Office for additional instructions.

ANNUAL AUDIT REQUIREMENTS

Independent (Single & Compliance) Audit Requirements

2 CFR 200, Section F located at:

<http://www.ecfr.gov/cgi-bin/text-idx?SID=6e187b05cfeca4f534c659f20983b14e&mc=true&node=pt2.1.200&rgn=div5>

For-Profits: 2 CFR 910, Section F located at:

<http://www.ecfr.gov/cgi-bin/text-idx?node=pt2.1.910&rgn=div5>

Below are excerpts from Section F.

Audit requirements.

- (a) Audit required. A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single (program-specific, *not applicable for For-Profits*) or compliance audit conducted for that year in accordance with the provisions of this part.
- (b) *Single* audit. A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.514 - Scope of audit except when it elects to have a program-specific audit conducted in accordance with paragraph (c) of this section.
- (b) *Compliance* audit. (1) If a for-profit entity has one or more DOE awards with expenditures of \$750,000 or more during the for-profit entity's fiscal year, they must have a compliance audit for each of the awards with \$750,000 or more in expenditures. A compliance audit should comply with the applicable provisions in §910.514—Scope of Audit. The remaining awards do not require, individually or in the aggregate, a compliance audit.
- (c) Program-specific audit election. (*Not applicable to For-Profits*). When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted in accordance with §200.507 Program-specific audits. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
- (d) Exemption when Federal awards expended are less than \$750,000. A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).
- (e) Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.
- (f) Subrecipients and Contractors. An auditee may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient or a subrecipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not Federal awards. Section §200.331 Subrecipient and contractor determinations sets forth the considerations in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.

(g) Compliance responsibility for contractors. In most cases, the auditee's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the auditee is responsible for ensuring compliance for procurement transactions which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with Federal statutes, regulations, and the terms and conditions of Federal awards.

(h) For-profit *subrecipient*. Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. See also §200.332 Requirements for pass-through entities.
